6 STATEMENT OF THE FACTS

7 1. A petition has been filed requesting vacation of that portion of M. E.
8 Ely Road hereinafter described.

9 2. The department of transportation notified the various utility companies
10 serving the area and has been advised that all necessary easements have
11 been acquired within the vacation area.

12 3. The department of transportation records indicates that King County
13 has not been maintaining M. E. Ely Road. The records indicate that no
14 public funds have been expended for its acquisition.

15 4. A portion of an existing house encroaches onto the M. E. Ely right-of-
16 way. This house is owned by Gary Kawasaki and Shirley Naganawa who
17 support the vacation petition. The proposed vacation area encompasses

18 this encroachment. In a separate private agreement the encroachment
19 issue will be addressed between the petitioner and the home owners.

20 5. The department of transportation considers the subject portion of the
21 right-of-way useless as part of the county road system and believes the
22 public would benefit by the return of this unused area to the public tax
23 rolls.

24 6. The right-of-way is classified as "C-Class" and, in accordance with
25 K.C.C. 14.40.020, the compensation due King County is based on fifty
26 percent of the assessed value of the subject right-of-way which was
27 determined from records of the department of assessments. King County

29 Due notice was given in the manner provided by law and a hearing was
30 held by the office of the hearing examiner on the 16th day of April, 2003.

31 In consideration of the benefits to be derived from the subject vacation,
32 the council has determined that it is in the best interest of the citizens of
33 King County to grant said petition.
