20 Appendix "A."

ARTICLE 6: HOURS OF WORK

6.1 Except as modified below, the workweek shall consist of five (5) consecutive standard workdays not to exceed seven (7) hours each and not to exceed thirty-five (35) hours per week, and shall normally be scheduled Monday through Friday. The working hours of each day shall normally be between 7:00 A.M. and 5:00 P.M., for which the regular hourly rate on the appropriate salary schedule shall be paid as set forth in Appendix "A" of this Agreement.

6.1.1 The workweek for employees working a four (4) day workweek schedule shall consist of four (4) consecutive days of eight and three-quarters (8-3/4) hours each, exclusive of lunch period, and shall normally be scheduled Monday through Thursday, between 7:00 A.M. and 6:00 P.M.

6.2 Workweek schedules shall not be altered for the purpose of avoiding the payment of overtime. No employee shall be required to work on the employee's scheduled day off in lieu of the employee's scheduled workday. Nothing herein shall be construed as meaning that any employee shall receive overtime pay for Saturday or Sunday work unless such work is performed in accordance with Section 7.1 or 7.1.1.

6.3 Each employee shall be assigned a regular starting time which shall not be changed prior to the beginning of the following week without the mutual consent between the employee and the Employer. In the event an employee's starting time is changed prior to the beginning of the following week, the employee shall be paid in accordance with the provisions of Article 7.

6.3.1 Employees may have starting and ending times, and work days, which are different than those set forth within Sections 6.1 and 6.1.1, with mutual consent between the employee and the Employer.

6.4 Employees shall be allowed one fifteen (15) minute rest period for each one-half (1/2) shift worked.

6.5 The Employer shall have the right to discontinue the four (4) day workweek schedule for any reason provided at least four (4) weeks prior notification is given, after which the terms and conditions of five (5) day week schedule portions of this Agreement shall become operative. Nothing in this Section shall be interpreted in such a way so as to prevent individual employees from returning to a five (5) day workweek schedule with one (1) week prior notification by the Employer.

1 **6.6** When an employee who normally works Monday through Thursday is absent from work due
2 to adverse weather conditions or the observance of religious holidays, the employee shall be permitted to
3 make up the work on the employee's scheduled Friday off in lieu of using paid leave time, provided that
4 all of the following conditions are satisfied: 1) the time is made up within the next two (2) full weeks; 2)
5 supervision will be available without special scheduling; however, field staff may be given material for
6 Friday's assignment on Thursday; and 3) the hours being made up do not result in overtime pay for the
7 employee.

8 **6.6.1** Section 6.6 does not apply to any situation where the Assessor or designee
9 officially closes operations in the Department of Assessments because of adverse weather conditions, or
10 orders employees to leave the work site. In that event, employees shall be paid for the normally
11 scheduled work day.

1 **ARTICLE 7: OVERTIME**

2 7.1 Except as otherwise provided in this Article, employees on a five (5) day schedule shall be
3 paid at the rate of one and one-half (1-1/2) times the employee's straight-time hourly rate of pay for all
4 hours worked in excess of eight (8) hours in one day, exclusive of lunch period, or forty (40) hours in
5 one week.

6 7.1.1 Employees on a four (4) day schedule shall be paid at the rate of one and one-half
7 (1-1/2) times the employee's straight-time hourly rate of pay for all hours worked in excess of ten (10)
8 hours in one day, exclusive of lunch period, or forty (40) hours in one week.

9 7.2 A minimum of four (4) hours at the overtime rate shall be allowed for each callout. Where
10 such overtime exceeds four (4) hours, the actual hours worked shall be allowed at overtime rate.

11 7.2.1 A callout is defined as any situation where the employee has left work and is
12 subsequently contacted and required to return to work prior to the employee's next scheduled work shift.

13 7.2.2 Scheduled overtime is not a callout and shall be paid at the straight time rate until
14 the employee qualifies for time and one-half pay pursuant to Sections 7.1 or 7.1.1.

15 7.3 All overtime shall be authorized in advance by the Department Director or designee in
16 writing, except in emergencies. Saturday and Sunday work shall not be considered overtime when it is a
17 regularly scheduled workday for the individual crew.

18 7.4 Emergency work at other than the normally scheduled working hours, or special scheduled
19 working hours not enumerated above, shall be credited as such. This unscheduled and emergency
20 overtime shall be compensated as overtime and in the event this overtime work is accomplished prior to
21 the normal working hours and the employee subsequently works the employee's regular shift, the
22 employee's regular shift shall be compensated at regular time.

23 7.5 If any provision of this Article conflicts with minimum standards established by RCW
24 49.46, then that provision shall be automatically amended to provide the minimum standards.

25 7.6 **Compensatory Time** - With mutual agreement of the Employer and employee,
26 compensatory time may be accrued by the employee in lieu of overtime pay. Such compensatory time
27 may be accrued to a maximum of eighty (80) hours. Requests to use compensatory time will be
28 approved unless the employee's absence during the period requested will unduly disrupt the operations

1 of the Department of Assessments. Compensatory time accrued shall be used during the calendar year in
2 which it is earned unless such utilization is not feasible due to the work demands of the position, in
3 which case the employee may request and the department director or designee may approve the
4 carryover of a maximum of forty (40) hours of accrued compensatory time. Carried-over compensatory
5 hours must be used within the first quarter of the new year.

13 **9.7** No employee shall earn the equivalent of a month's vacation credit during a month when
14 the employee is absent without pay for more than three (3) working days; provided however, that
15 discipline resulting in suspension not exceeding ten (10) working days shall not serve to reduce
16 vacation credit. An employee shall not be granted vacation benefits if not previously accrued by the
17 employee.

18 **9.8** Any employee separating from County service who has not taken the employee's earned
19 vacation, if any, shall receive the hourly equivalent of the employee's salary for each hour of earned
20 vacation based upon the rated of pay in effect for such employee on the last day he/she actually
21 worked; provided however, employees who are hired on or after January 1, 1986, who are eligible for
22 participation in the Public Employee's Retirement System Plan I, shall not be compensated for more
23 than four hundred twenty (420) hours of earned vacation at the time of retirement. For employees
24 hired on or after January 1, 1986, vacation hours earned in excess of four hundred twenty (420) hours
25 must be used prior to the employee's date of retirement or such excess hours shall be lost. When
26 separation is caused by death of an employee, payment shall be made to the estate of such employee,
27 or in applicable cases, as provided by State law.

28 **9.9** With the approval of the Department Director, Employees may continue to accrue

1 additional vacation beyond the maximum specified herein if, as a result of cyclical workloads or

4 herein. Employees shall forfeit the excess accrual on December 31st.

5 **9.10 Vacation Scheduling** - Vacation requests shall be in writing. A vacation of one (1) day
6 or less shall be requested at least three (3) working days in advance. A vacation of more than one (1)

1 **ARTICLE 10: LEAVES**

2 **10.1 Sick Leave** - All regular full-time employees, regular part-time employees, and term
3 limited temporary employees shall accrue sick leave benefits at the rate of 0.04616 hours per
4 compensated hour, up to a maximum of seven (7) hours per month for full-time employees. The
5 maximum monthly accrual for part-time employees shall be pro-rated according to the employee's
6 regularly scheduled weekly hours.

7 **10.1.2** During the first six (6) months of service, a leave-eligible employee may, at the
8 Division Manager's discretion, be permitted to use any accrued vacation as an essential extension of
9 used sick leave. If an employee does not work a full six (6) months, any vacation credit used for sick
10 leave must be reimbursed to the Employer upon termination.

11 **10.1.3** Sick leave benefits shall accrue starting with the first of the month following
12 the month the employee commenced employment. An employee shall not be entitled to sick leave if
13 not previously earned.

14 **10.1.4** Sick leave may be used in fifteen (15) minute increments at the discretion of
15 the Department Director or designee.

16 **10.1.5** There shall be no limit to the hours of sick leave benefits accrued by an
17 employee.

18 **10.1.6** Accrued sick leave shall be paid for the following reasons:

19 a. Illness of the employee, employee's spouse or domestic partner, or
20 employee's dependent child;

21 b. Noncompensable injury of an employee (e. g., those injuries generally not
22 eligible for Worker's Compensation payments);

23 c. Employee disability due to pregnancy or childbirth;

24 d. Employee exposure to contagious diseases and resulting quarantine;

25 e. Employee keeping medical, dental or optical appointments.

26 Department management is responsible for the proper administration of the sick leave benefit.

27 **10.1.7** Separation from King County employment, except by retirement or reason of
28 temporary layoff due to lack of work or funds, shall cancel all sick leave currently accrued to the

1 employee. Should the employee resign in good standing and return to the Employer within two (2)
2 years, accrued sick leave shall be restored.

3 **10.1.8** Accrued Sick leave may be used for absence due to temporary disability caused
4 or contributed by pregnancy.

5 **10.1.9** Sick leave because of an employee's physical incapacity shall not be approved
6 when the injury is directly traceable to simultaneous employment other than with King County.

7 **10.1.10** The Employer shall reimburse those employees who have at least five (5)
8 years service and retire as a result of length of service or who terminate by death thirty-five percent
9 (35%) of their unused accumulated sick leave. All payments shall be made in cash, based upon the
10 employee's base rate of pay and there shall be no deferred sick leave reimbursement.

11 **10.1.11** Employees injured on the job shall not simultaneously collect sick leave and
12 Worker's Compensation payments greater than the net regular pay of the employee. In the event an
13 employee shall be entitled to benefits or payments under the Worker's Compensation Act, the employee
14 may elect to use accrued paid leave benefits to supplement the disability payments. In such event, the
15 Employer shall pay only up to the maximum of the difference between the benefits and payment
16 received under such insurance or act by such employee and the employee's regular rate of compensation
17 that the employee would have received from the Employer if able to work. The foregoing payment by
18 the Employer shall be limited to the period of time that such employee has accumulated paid leave
19 credits as specified herein.

20 **10.1.12** Employees who have been employed the entire previous calendar year and who
21 use thirty-five (35) hours of sick leave or less in such calendar year shall be eligible to convert their sick
22 leave hours accrued to vacation hours in the following calendar year pursuant to the following schedule:

Sick Leave Hours Used In A Calendar Year	Sick Leave Hours Accrued Which May Be Converted to Vacation Hours in the Following Year
35.00 - 26.50	8.75
26.26 - 17.75	13.00
17.50 - 9.00	17.50
8.75 - 0.00	26.25

1 Requests for such conversion of hours shall be filed by the eligible employee with the
2 employee's Supervisor in writing no later than January 31st of the year following achievement of
3 eligibility.

4 **10.2 Family Care and Bereavement** - Regular full-time employees shall be entitled to three (3)
5 working days of bereavement leave per occurrence, due to death of members of their immediate family,
6 as defined in Section 10.2.5; and in addition, shall be entitled to bereavement leave due to death of a
7 sibling, grandparent, or grandchild of the employee or the employee's spouse or domestic partner. One
8 additional day of bereavement leave per occurrence may be approved by the Department Director or
9 designee if the circumstances warrant (e.g., the employee must travel a long distance to attend a funeral,
10 or is responsible for funeral or estate arrangements).

11 **10.2.1** Regular full-time employees and regular part-time employees who have
12 exhausted their bereavement leave shall be entitled to use sick leave in the amount of three (3) days for
13 each occurrence when death occurs to a member of the employee's immediate family.

14 **10.2.2** Three (3) sick leave days of absence from the job may be granted to an employee
15 due to a requirement to care for immediate family members who are seriously ill. Employees with
16 twelve (12) months or more of King County service, who have actually worked 910 hours or more
17 during the previous twelve (12) months, may use accrued sick leave to care for family members as
18 provided in the King County Family and Medical Leave Ordinance (KCC 3.12.220). Up to one (1)
19 day's absence may be authorized for the employee to be at the hospital on the day of the birth of the
20 employee's child.

21 **10.2.3** As provided in the King County Family and Medical Leave Ordinance (KCC
22 3.12.220), eligible employees may be granted up to eighteen (18) weeks unpaid leave due to the
23 employee's own serious health condition, or for care of a member of the employee's immediate family.
24 The Employer will continue its contribution toward health insurance coverage during a leave taken
25 under KCC 3.12.220.

26 **10.2.4** In the application of any of the foregoing provisions, when a holiday or regular
27 day off falls within the prescribed period of absence, it shall not be deducted from the employee's
28 accrued sick leave balance.

1 **10.2.5** For purposes of family care under the King County Family and Medical Leave
2 Ordinance, the immediate family shall include the employee's spouse or domestic partner, the
3 employee's child, a child of the employee's spouse or domestic partner, the parent of the employee,
4 employee's spouse or domestic partner, or an individual who stands or stood *in loco parentis* to the
5 employee, the employee's spouse or domestic partner.

6 **10.2.6** To the extent that Washington State law provides more extensive benefits for use
7 of paid leave for family care, the Union and Employer recognize that state law shall prevail.

8 **10.3 Union Officer Leave** - An employee elected or appointed to office in the Union which
9 requires a part or all of the employee's time shall be given leave of absence up to one (1) year without
10 pay upon application.

11 **10.4 Jury Leave** - All regular employees ordered on a jury shall be entitled to their regular pay;

14 service.

15 **10.5 Military Leave** - A leave of absence for active military duty or active military training
16 duty shall be granted to eligible employees in accordance with applicable provisions of state and/or
17 Federal Law; provided, that a request for such leave shall be submitted to the Assessor in writing by the
18 employee and accompanied by a validated copy of military orders ordering such active duty or active
19 training duty.

ARTICLE 11: LAYOFF, RECALL AND JOB VACANCIES

11.1 Layoff - Employees laid off as a result of lack of work, lack of funds or work place efficiency shall be laid off by seniority. The positions and classification(s) to be eliminated or reduced in hours shall be at the sole discretion of management. For purposes of layoff, seniority shall be total continuous service in positions covered by this Agreement.

11.1.1 The Employer will designate by job classification the position(s) to be eliminated. Normally, the first employees to be laid off will be the employees in the classification(s) in which position(s) are to be eliminated, who have the least amount of bargaining unit seniority. In the event two (2) or more employees have the same seniority, ability and skill shall be the determining factor.

11.1.2 Prior to any layoff, all employees other than permanent employees in the affected classification shall be removed from the payroll first. This shall include temporary and probationary employees.

11.1.3 The Employer shall notify the Union and the affected employees at least two (2) weeks in advance, in writing, of any anticipated reduction in force. Such notice shall include the name, classification and hire-in date of all such employees scheduled to be laid off. Employees laid off because of an adverse decision on their ability and skill (referenced in Section 11.1) or their qualifications (referenced in Section 11.1.3) may grieve within three (3) working days of notice to the employee of such adverse decision to a joint committee comprised of two (2) representatives of the Union and two (2) representatives of the Employer. Such grievance shall be adjudicated within three (3) working days. A majority decision of the joint committee shall be required to reverse management's initial decision of which employee to layoff.

11.1.4 Employees laid off from their classification may bump into other positions in the bargaining unit if they meet all of the following criteria:

The employee to be bumped has the least bargaining unit seniority of the employees in the job class, and has less bargaining unit seniority than the employee who elects to bump;

The employee to be bumped is at an equal or lower pay range; and

The employee electing to bump meets the qualifications of the position into which the employee proposes to bump.

1 Employees displaced from their classification by the bumping procedure may also utilize the
2 bumping procedure.

3 Employees shall have five (5) days from notification of layoff to notify the Employer in writing
4 of their intention to exercise their bumping rights. Such notification must set forth those classifications
5 into which the employee wishes to bump. The Employer shall determine whether an employee is
6 qualified for the position into which the employee proposes to bump.

7 **11.2 Recall** - Employees laid off or bumped from their classification shall be recalled in order of
8 bargaining unit seniority on the date of layoff. The period for recall shall be two (2) years from date of
9 layoff or bump.

10 **11.3 Job Vacancy** - When a regular job vacancy occurs, the Employer shall have as a goal that
11 such vacancy should be filled by a present employee, by lateral transfer or promotion. If the Employer
12 believes, for any reason, that broader recruitment is the preferred method for filling such regular job
13 vacancy, then an outside recruitment may be used. Outside recruitment will not be used if there are
14 persons eligible and available for recall as provided in Section 11.2 above. Notices of regular job
15 vacancies shall be posted in a timely manner (at least two (2) weeks prior to closing) on a designated
16 bulletin board at each work site (i.e., one posting in Seattle, one posting in Renton). Employees who
17 desire consideration for such openings shall notify the Employer, in writing, during the period the notice
18 is posted.

19 **11.4 Trial Service** - When an employee is promoted from one bargaining unit classification to
20 another bargaining unit classification with a higher salary range, and does not successfully complete
21 probation in the higher classification, the employee is entitled to return to a position in the former
22 classification if available, or an equivalent position at the same salary range if the employee is qualified.
23 If no such appointment is available, the employee shall have recall rights as defined in Section 11.2
24 above.

25 **11.5** Employees who are eligible for recall may accept temporary or term-limited temporary
26 appointments without jeopardy to their recall rights.

ARTICLE 12: MEDICAL, DENTAL, VISION AND LIFE INSURANCE

12.1 The Employer shall maintain the current level of benefits under its medical, dental, vision and life insurance programs during the life of this Agreement, except as may be otherwise provided for in Section 12.2.

12.2 There shall be established a Joint Labor Management Insurance Committee comprised of an equal number of representatives from the Employer and the Labor Union Coalition whose function shall be to review, study and make recommendations relative to existing medical, dental, vision and life insurance programs. The Employer and the Union shall implement any changes in employee insurance benefits which result from any agreement of the Joint Labor Management Insurance Committee.

12.3 The Employer shall continue to pay the monthly premiums for the health insurance plans identified in Section 12.1 on behalf of employees receiving Worker's Compensation payments following exhaustion of the employee's paid leave benefits, for a period of up to six (6) months.

1 **ARTICLE 13: TRANSPORTATION**

2 **13.1 Parking** - Employees who have been assigned by the Employer to use their personal
3 automobile in the performance of their duties shall be provided free parking during assigned working
4 hours at the Employer's facilities. However, parking shall not be provided to any employee who has
5 been provided with reasonable advance notice that such employee shall not be required to use the
6 employee's automobile in the performance of duties on a particular work day.

7 **13.1.1** The parking provided shall be on a space available and weather and surface
8 conditions permitting basis in the Employer designated parking facilities. Until adequate notice of
9 change is provided, those facilities shall be those which are located, between Fourth and Fifth Avenues,
10 and Jefferson and Washington Streets (not including the southwest corner parking lot), Seattle,
11 Washington, and those designated contiguous to the Renton field office.

12 **13.1.2** The Employer shall also pay all reasonable and Employer approved fees up to a
13 maximum of seven dollars (\$7.00) per day for parking expenses incurred by employees using their
14 personal automobiles in the performance of their duties in areas distant from Department of Assessments
15 facilities.

16 **13.1.3** If the Employer is unable to provide free parking at its facilities, employees shall
17 be paid the average daily rate prevalent in the commercial parking lots bounded by the Seattle streets
18 Fourth Avenue on the west, Fifth Avenue on the east, Yesler Way on the north, and Main Street on the
19 south and bisected by Washington Street.

20 **13.2 Mileage Allowance** - Employees who have been assigned by the Department to use their
21 personal vehicles in the performance of their duties shall be paid an automobile expense allowance by
22 the Employer on the following basis:

23 **a.** A minimum fixed amount per month for each month in which the employee is
24 assigned by the Department to use the employee's personal vehicle in the performance of the employee's
25 work;

26 **b.** An additional variable amount per mile driven by the employee in the performance of
27 work; and

28 **c.** A depreciation allowance of for each one thousand (1,000) miles exceeding the

1 average number of miles driven in the service of the Employer by all employees assigned to use their
2 vehicle twelve (12) months during the immediately previous calendar year. Such allowance shall be
3 paid as a supplement to the December automobile expense allowances.

4 **13.2.1** The standard vehicle used by Runzheimer International, Inc. to establish costs for
5 the automobile expense allowance set forth within Section 13.2 shall be the make and model of the
6 successful low bid compact car established in King County's annual fleet replacement bids. Runzheimer
7 International, Inc. shall be instructed to use the "standard plan" assumptions in all non-specified factors.
8 The amount of work related mileage recognized shall be the average number of miles driven in the
9 service of the Employer by all employees covered under terms of this Agreement who were assigned to
10 use their vehicle twelve (12) months during the immediately previous calendar year. The retentional
11 cycle specified shall be four (4) years/sixty thousand (60,000) miles. The percent of fixed cost shall be
12 fifty-seven and one tenth per cent (57.1%) for employees working a four (4) day work week schedule.

13 **13.2.2** If the Employer changes the work week schedule to five (5) days the fixed cost
14 monthly allotment shall be converted to seventy-one and four tenths percent (71.4%).

15 **13.2.3** In any calendar month wherein the employee is assigned to use the employee's
16 automobile fifty per cent (50%) or more of the Fridays as overtime, seventy-one and four tenths per cent
17 (71.4%) shall be the recognized fixed cost monthly percentage paid to each such individual.

18 **13.2.4** The minimum monthly fixed amount shall be adjusted January 1st of each year as
19 advised by Runzheimer International, Inc.

20 **13.2.5** The additional variable amount per mile shall be adjusted quarterly (January 1st,
21 April 1st, July 1st and October 1st) as advised by Runzheimer International, Inc.

22 **13.2.6** The depreciation allowance per one thousand (1000) miles exceeding the average
23 number of miles per year shall be adjusted annually as advised by Runzheimer International, Inc.

24 **13.2.7** The expense associated with the subscription to the Runzheimer service shall be
25 borne by the Employer.

26 **13.2.8** Employees who are required to provide a personal vehicle for use in the service
27 of the Employer and who are assigned to temporary or permanent office duty not requiring the use of
28 their vehicle, shall, upon receipt of a fourteen (14) calendar days notice from the Employer, receive a

1 mileage severance payment equal to one (1) month's fixed amount for the first calendar month of such
2 removal. The first day of removal from mileage shall always coincide with the first calendar day of a
3 month.

4 **13.2.9** Employees who voluntarily remove themselves from a position requiring the use
5 of a vehicle shall not be eligible for the above-severance payments. "Voluntarily remove" for the
6 purposes of this Section shall mean vacation, leaves of absence, and/or sick leave in excess of two (2)
7 weeks and employee-initiated voluntary transfers to non-driving assignments. Employees removed due
8 to sick leave shall be compensated on the following basis: Paid the full minimum fixed amount plus per
9 mile compensation for the initial month of removal, the full minimum fixed amount plus per mile
10 compensation for the second month of removal, the full minimum fixed amount plus per mile
11 compensation for the third month of removal and no more payments until the employee returns to work.

12 Employees removed for all other employee initiated reasons shall be compensated on the following
13 basis:

- 14 • Paid the full minimum fixed amount plus per mile compensation for the first month of
15 removal;
- 16 • Paid the full minimum fixed amount plus per mile compensation for the second month
17 of removal;
- 18 • No more payments shall be made until the employee returns to a driving assignment;
- 19 • Upon return to a driving assignment after the second full calendar month following
20 voluntary removal from a driving assignment, the employee shall be paid a prorated percentage (total
21 number of working days remaining in the month starting with the day of return to a driving assignment /
22 (divided by) the total number of working days in the subject month X (times) the full minimum fixed
23 amount) plus per mile compensation for the first month of return to a driving assignment.

24 **13.2.10** New employees shall receive a prorated portion of the minimum fixed amount
25 which equals the percentage of work days remaining in the month they are initially assigned to use their
26 personal vehicle.

27 **13.2.11** Employees whose employment has been terminated for any reason whether
28 voluntary or involuntary shall receive a prorated portion of the minimum fixed amount which equals the

1 percentage of work days said employees were employed in their last month of employment. No further
2 payments shall be made which relate to days or months occurring after the employee's last day of
3 physical presence at work.

4 **13.2.12** Assignment of pool vehicles and use of personal vehicles on County business
5 shall be at the sole discretion of management. Employees may be required to use their personal vehicle
6 in carrying out their assigned duties as a condition of employment and in accordance with the terms of
7 this Article.

8 **13.3 Inoperative Vehicles** - In the event an employee's vehicle becomes inoperative during the
9 performance of the employee's duties, the individual may report back to the office that day and perform
10 office assignments as assigned or take vacation for the remainder of the day.

11 **13.3.1** The Employer shall reimburse to the employee expenses associated with towing
12 when such towing is the result of road conditions. The Employer shall not reimburse towing expenses
13 when such towing is the result of negligent operation of the employee's vehicle, or mechanical failure of
14 same.

15 **13.3.2** Employees claiming towing expenses shall submit a receipt for the towing
16 expense which clearly displays the date of subject tow, and a brief written description of the
17 circumstances which led to the need for towing.

18 **13.4 Employee Transportation Program** - Eligible employees, as determined by their
19 respective employment status, shall receive transportation benefits in accord with the County-wide 1998
20 King County Employee Transportation Program.

1 **ARTICLE 14: MISCELLANEOUS**

2 **14.1 Discipline** - The Employer shall not discipline, suspend, or discharge any employee
3 without just cause. The Employer shall recognize the principle of progressive discipline in the
4 administration of employee discipline. Further, the Employer shall forward a copy of any and all
5 warning notices relating to an employee's work performance to the Union at the time of issuance to the
6 employee.

7 **14.1.1** In the event the Employer requires an employee to attend a meeting, for purposes
8 of discussing an incident which may lead to suspension, demotion or termination of that employee, the
9 employee shall be advised of the employee's right to be accompanied by a representative of the Union.
10 If the employee desires Union representation in said matter, the employee shall notify the Employer at
11 that time and shall be provided a reasonable time to arrange for Union representation.

12 **14.1.2** If at any level the Employer determines to bring disciplinary action against an
13 employee for any reason, the employee shall be apprised of the rights of appeal and representation as
14 provided for in the Grievance Procedure of this Agreement.

15 **14.2 Bargaining Unit Work** - The Employer shall not permit any work normally performed by
16 current employees who are members of the bargaining unit to be contracted out if the contracting of such
17 work eliminates or reduces the normal work load of the bargaining unit; provided however, in the event
18 that there is created an emergency situation as a result of a legislative act, whereby the Employer is
19 required to provide an annual appraisal of the residences within the County, the Employer shall then be
20 permitted to contract out that additionally created work for a period of limited duration.

21 **14.3 Higher Classification** - The Employer shall not, except as modified below, assign
22 employees in the bargaining unit to duties normally assigned to individuals of a higher classification for
23 purposes of accomplishing departmental requirements. The Employer shall attempt to identify
24 departmental manpower needs and if duties of a higher classification are required, appropriate
25 promotional procedures shall be followed.

26 **14.3.1** In situations where an employee is assigned work in a higher classification for a
27 specified length of time, not exceeding three (3) months, normal promotional procedures shall not be
28 required.

1 **14.3.2** Employees performing work in a higher classification in excess of ten (10)
2 working days, when properly assigned, shall receive the recruiting level salary for that classification or
3 five percent (5%) above their present salary, whichever is greater, for all time so assigned.

4 **14.4 Field Work** - Employees within the Auditor Appraiser Assistant classification may be
5 assigned to field work as required.

6 **14.5 Accreditation** - Employees within the Appraiser Assistant classification shall be advanced
7 from Pay Range thirty (30) to Pay Range thirty-seven (37) upon successful completion of the

10 maintenance function.

11 **14.6** Employees within the Auditor Appraiser Assistant classification shall be advanced from
12 Pay Range thirty (30) to Pay Range thirty-seven (37) upon successful completion of the Washington

15 (\$50,000) at businesses limited to one location. Effective January 1, 2002, those Auditor Appraiser
16 Assistants who were accredited and employed in the bargaining unit on or before July 1, 2001 shall be
17 placed on Range 37 of the King County Standard Salary Schedule. Effective, January 1, 2003, they shall
18 be placed on Range 43 of the King County Squared Salary Schedule.

19 **14.7 County and State Boards** - Appraiser I's, Appraiser II's and Senior Appraisers may be
20 required to prepare and defend appraisals before County and State Boards of Appeals and appear on
21 behalf of the County in a court of law as part of the duties of their respective job classifications.

22 **14.7.1** Commercial Appraiser I's, as part of the job duties of that classification, shall
23 represent the County before the Boards of Appeals. Residential Appraiser I's who successfully complete
24 a training program designed and defined by the Employer and who are subsequently assigned to present
25 cases to the Boards of Appeals shall be compensated an additional twenty-five dollars (\$25.00) per
26 month upon successful completion of the training program. The Employer shall determine when, which
27 and how many employees receive the training.

28 **14.8 Labor-Management Conference Committee** - The Employer shall establish a joint

1 Labor-Management Conference Committee which shall be comprised of participants from both the
2 Employer and the Union. Each party shall have the sole right to select its participants. The function of
3 the Committee shall be to meet periodically to discuss issues of general interest and/or concern, as
4 opposed to individual complaints, for the purpose of establishing a harmonious working relationship
5 between the employees, the Employer and the Union. Either the Employer or the Union may request a
6 meeting of the Committee; however, neither party is obligated to meet more than twice a year. The party
7 requesting the meeting shall do so in writing listing the issues they wish to discuss.

1 ARTICLE 15: GRIEVANCE PROCEDURE

2 **15.1** The Employer recognizes the importance and desirability of settling grievances promptly
3 and fairly in the interest of continued good employee relations and morale. To accomplish this, every
4 effort shall be made to settle grievances at the lowest possible level of supervision. Employees shall be
5 unimpeded and free from restraint, interference, coercion, discrimination or reprisal in seeking
6 adjudication of their grievances.

7 **15.2** A grievance shall be defined as an issue raised by an employee relating to the
8 interpretation, application or violation of the employee's rights, benefits or conditions of employment as
9 contained in this Agreement. The Union shall not be required to press employee grievances if, in the
10 Union's opinion, such lack merit.

11 **15.3** Grievances shall be processed in accordance with the following procedure.

12 **15.3.1 STEP 1** - A grievance shall be verbally presented by the aggrieved employee, and
13 the Union representative if the employee wishes, within ten (10) calendar days of the occurrence of such
14 grievance to the employee's immediate Supervisor. The immediate Supervisor shall gain all relevant
15 facts and shall attempt to adjust the matter and notify the employee within five (5) working days. If a
16 grievance is not pursued to the next level within ten (10) calendar days, it shall be presumed resolved.

17 **15.3.2 STEP 2** - If, after thorough discussion with the immediate Supervisor, the
18 grievance has not been satisfactorily resolved, the employee and the Union representative shall reduce
19 the grievance to writing, outlining the facts as they are understood. The written grievance shall then be
20 presented to the Division Manger for investigation, discussion and written reply. The Division Manager
21 shall issue a written decision to the aggrieved employee and the Union within ten (10) working days. If
22 the grievance is not pursued to the next higher level within ten (10) calendar days, it shall be presumed
23 resolved.

24 **15.3.3 STEP 3** - If, after thorough evaluation, the decision of the Division Manager has
25 not resolved the grievance to the satisfaction of the employee, the grievance may be presented to the
26 Department Director. All letters, memoranda and other written materials previously submitted to lower
27 levels of supervision shall be made available for the review and consideration of the Department
28 Director. The Director may interview the employee and/or Union representative and receive any

1 additional related evidence which the employee may deem pertinent to the grievance. The Department
2 Director shall issue a written decision to the Union within ten (10) working days. If the grievance is not
3 pursued to the next higher level within ten (10) calendar days, it shall be presumed resolved.

4 **15.3.4 STEP 4** - If, after thorough evaluation, the decision of the Department Director
5 has not resolved the grievance to the satisfaction of the employee, the grievance may be presented to a
6 Joint Committee representing the Employer and the Union. Said Committee shall consist of equal
7 representation for the Union and for the Employer with a maximum of two (2) for each side. This
8 Committee shall attempt to resolve the grievance within ten (10) working days.

9 **15.3.5 STEP 5** - Should this Committee be unable to agree, either party may request
10 arbitration within thirty (30) days of conclusion of STEP 4, and must specify the exact question which it
11 wishes arbitrated. The Committee shall then select a third disinterested party to serve as an arbitrator. In

26 authority to change, or has been delegated to any Civil Service Commission or Personnel Board as
27 defined in RCW 41.56.

28 **15.7** There shall be no strikes, cessation of work or lockout during such conferences or

4 decision of the matter at issue shall be reached.

5 **15.8** At any step, the parties may by mutual agreement engage a mutually acceptable, neutral
6 third party to serve as a mediator. If mediation is not successful, either party may submit the dispute to
7 arbitration within thirty (30) days after the mediator or one of the parties declares impasse.
