Application of

Brad Kovash

31424 – 340th Place Southeast
Ravensdale, Washington 98051

Location of Property: 372xx – 236th Avenue SE
Enumclaw, Washington

SUMMARY OF RECOMMENDATIONS:

Department's Preliminary:	Approve 12.00 acres for 10% of market value and .13 acre for 40% of market value
Department's Final:	Approve 12.00 acres for 10% of market value and .13 acre for 40% of market value
Examiner:	Approve 12.00 acres for 10% of market value and .13 acre for 40% of market value

PRELIMINARY REPORT:

The Department of Natural Resources & Parks, Water and Land Resources Division Report on item no. E06CT042 was received by the Examiner on April 11, 2007.

PUBLIC HEARING:

After reviewing the report and examining available information on file with the application, the Examiner conducted a public hearing on the application as follows:

The hearing on item no. E06CT042 was held by the Examiner on April 18, 2007, in the Hearing Examiner's Conference Room, 400 Yesler Way, Room 404, Seattle, Washington.

Participants at the public hearing and the exhibits offered and entered are listed in the attached minutes. A verbatim recording of the hearing is available in the office of the King County Hearing Examiner.

FINDINGS, CONCLUSIONS & RECOMMENDATION: Having reviewed the record in this matter, the Examiner now makes and enters the following:

FINDINGS:

1. General Information:

Owner: Brad Kovash
31424 – 340th Place Southeast
Ravensdale, WA 98051

Property location: 372xx 236th Avenue SE
Enumclaw, WA 98022

PBRS categories requested: **Open space resource**
Forest stewardship land
Bonus category
Super bonus category

Categories recommended: **Open space resource**
Forest stewardship land (contingent)
Rural open space
Equestrian-pedestrian trail linkage
Watershed protection area
Bonus category
Public access

COMMENT: The owner also applied to the Timber Land program. However, based on site characteristics and the exclusion of a home site, there are not five or more acres of manageable timber land. Therefore, enrollment in the Timber Land program would not be recommended.

STR: NW 34-21-06
Zoning: RA-10

Parcels:	342106-9164	342106-9165
Total acreage:	13.50	0.13
Requested PBRS:	12.00	0.13
Recommended PBRS:	12.00	0.13

COMMENT: The portion recommended for PBRS (12.13 acres) is the entire property (13.63 acres) less the excluded area as measured for a future home site and driveway access. Parcel no. 342106-9165 (.13 acre) is eligible for enrollment but with fewer qualifying categories due to its separation by Southeast 372nd Street, and therefore receives fewer points and a different reduction level than the remaining 12.00 acres.

(The land area recommended for PBRS enrollment is the entire parcel less the excluded area(s), which is what has been calculated by DNRP. In the event the County Assessor's official parcel size is revised, the PBRS acreage shall be administratively adjusted to reflect that change.)

2. Except as modified herein, the facts set forth in the King County Department of Natural Resources & Parks, Water and Land Resources Division, Preliminary Report for the April 18, 2007, public hearing are found correct and are incorporated herein by reference. Copies of the department report will be provided with the copies of this report submitted to the King County Council.

The following change was made to the staff report at hearing:

- A. Page 5, section A.3 - Bonus category: Additional surface water quality buffer is changed to public access

The following corrections to the staff report are noted:

- A. Page 1, section A.1: The owner's address is 31424 – 340th Place Southeast, Ravensdale, Washington 98051
 - B. Page 5, section A: Total points are 55
 - C. Page 6, Public Benefit Rating box: "For the purpose of taxation, 55 points..."
 - D. Page 6, section B – Recommendation: "Approve the request...of 15 and 55 points..."
3. Timely application was made to King County for current use valuation of the subject property to begin in 2008. Notice of the application was given as required by law.
 4. The property contains priority open space resources and is eligible for a total award of 55 points for 12.00 acres and 15 points for .13 acre under the King County Public Benefit Rating System. The resulting current use value therefore would be 10% of market value for 12.00 acres and 40% of market value for .13 acre of the property.
 5. Credit for the forest stewardship land category is contingent on approval and implementation of a forest stewardship plan by September 1, 2007. Failure to qualify for this category would result in a reduced point total of 50 for the 12.00 acre portion with no change to the current use valuation for that portion of the property and 10 points for the .13 acre portion resulting in a current use valuation of 50% of market value for that portion of the enrolled property.

CONCLUSION:

1. Approval of current use valuation of 10% of market value for 12.00 acres and 40% of market value for .13 acre of the property pursuant to the Public Benefit Rating System adopted by Chapter 20.36 KCC, would be consistent with the purposes and intent of King County to maintain, preserve, conserve and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.

RECOMMENDATION:

APPROVE current use valuation of 10% of market value for 12.00 acres and 40% for .13 acre of the subject property, subject to the conditions recommended in the Department of Natural Resources & Parks report for the April 18, 2007, public hearing, and the following additional condition of approval:

1. Credit for the forest stewardship land category is contingent as stated in Finding no. 5 above. Failure to qualify for this category would result in a reduced point total of 50 for the 12.00 acre portion with no change to the current use valuation and 10 points for the .13 acre portion resulting in a current use valuation of 50% of market value for that portion of the enrolled property.

Current use valuation shall be subject to all terms and conditions of RCW Chapter 84.34 and KCC Chapter 20.36, as may be amended from time to time, and all regulations and rules duly adopted to implement state law and county ordinances pertaining to current use valuation.

RECOMMENDED May 4, 2007.

Prior mailing is not sufficient if actual receipt by the Clerk does not occur within the applicable time period. The Examiner does not have authority to extend the time period unless the Office of the Clerk is not open on the specified closing date, in which event delivery prior to the close of business on the next business day is sufficient to meet the filing requirement.

If a written notice of appeal and filing fee are not filed within 14 days calendar days of the date of this report, or if a written appeal statement and argument are not filed within 21 calendar days of the date of this report, the Clerk of the Council shall place a proposed ordinance which implements the Examiner's recommended action on the agenda of the next available Council meeting. At that meeting, the Council may adopt the Examiner's recommendation, may defer action, may refer the matter to a Council committee, or may remand to the Examiner for further hearing or further consideration.

Action of the Council is final.
