21 due diligence review of the first phase of study as described in section 3 of this ordinance.

22 SECTION 2. Attachment A to this ordinance, dated October 1, 2007, hereby  
23 amends Attachment B to Ordinance 15652, as amended, by adding thereto and inserting  
24 therein the projects listed in Attachment A to this ordinance.

25 SECTION 3. **Independent due diligence review of first phase of study for**  
26 **potential to sell the King Street Center and to further analyze the redevelopment of**  
27 **the Administration Building.** This due diligence review shall be provided by the King

30 activities conducted by the King County auditor staff and consultants shall include  
31 analysis of the executive's first phase of study including but not limited to economic

34 assumptions.

35 SECTION 4. **Statement of intent:**

36 It is the intent of this council that no additional funds for the redevelopment of the

39 quantification and an analysis of the impact on global warming of the redevelopment of the  
40 Administration Building; 2) the executive provides a transmittal date for the space plan,

41 which was due to the council on March 2006 as is required under KCC 20.12.100. Given  
42 that this plan was due more than 18 months ago, the transmittal date must be as soon as  
43 possible, and no later than any future request for funding regarding this project; and 3) the  
44 executive transmits and the council adopts by motion the report requested in Motion 12335  
45 regarding the evaluation of capital improvements to renovate and reopen the south entrance  
46 of the King County Courthouse.

47 Pursuant to Motion 12335, the report shall evaluate the impacts to courthouse access  
48 and funding and operations options for the reopening and renovation of the courthouse south  
49 entrance and the potential closure of the east and west entrances, including, but not limited  
50 to, grant funding, one-time revenues associated with surplus sale of real property, and  
51 operational costs and potential savings. The report shall also include an evaluation of access  
52 impacts to all branches of King County government and their employees, as well as jurors  
53 and the general public, and the results of outreach to each of these groups.

54 The report and proposed motion must be filed in the form of 12 copies with the clerk

55 of the council, who will retain the original and will forward copies to each councilmember
