These articles constitute an Agreement, terms of which have been negotiated in good faith, between King County and the signatory organization subscribing thereto. This Agreement shall be subject to approval by Ordinance by the Metropolitan County Council of King County, Washington.

ARTICLE 1: PURPOSE

The intent and purpose of this Agreement is to promote the continued improvement of the relationship between King County and its employees by providing a uniform basis for implementing the right of public employees to join organizations of their own choosing, and to be represented by such organizations in matters concerning their employment relations with King County and to set forth the wages, hours, and other working conditions of such employees in appropriate bargaining units provided the County has authority to act on such matters and further provided the matter has not been delegated to any civil service commission or personnel board similar in scope, structure and authority as defined in Chapter 108, Extraordinary Session, 1967, Laws of the State of Washington.

Wherever words denoting a specific gender are used in this Agreement, they are intended and shall be construed so as to apply equally to either gender.

8 members in the Union or pay an agency fee. It shall also be a condition of employment that all
9 employees covered by the Agreement and hired on or assigned into the bargaining unit on or after its

13 who can substantiate they hold genuine religious beliefs or tenets which object to membership in the
14 Union, in which case an amount of money equivalent to the regular Union dues and initiation fee
15 shall be paid to a nonreligious charity mutually agreed upon by the employee affected and the
16 bargaining representative to which such employee would otherwise pay the dues and initiation fee.
17 The employee shall furnish proof that such payment has been made every thirty (30) days.

18 *Section 4.* All initiation fees and dues paid either to the Union or charity shall be for non-
19 political purposes.

20 *Section 5. Dues Deduction.* Upon receipt of a written authorization individually signed by a
21 bargaining unit employee, the County shall have deducted from the pay of such employee the amount
22 of dues as certified by the secretary of the signatory organization and shall transmit the same to the
23 treasurer of the signatory organization.

24 *Section 6.* The signatory organization shall indemnify, defend, and hold the County harmless
25 against any claims made and against any suit instituted against the County on account of any check-

26 prorated to reflect their normally scheduled workweek. Such employees shall use vacation leave
27 beyond the maximum accrual amount prior to December 31 of each year. Failure to use vacation
28 leave beyond the maximum accrual amount will result in forfeiture of the vacation leave beyond the

1 maximum amount unless the Division Manager or designee has approved a carryover of such
2 vacation leave because of cyclical workloads, work assignments or other reasons as may be in the
3 best interests of the County.

4 **Section 4.** Vacation benefits for regular part-time employees will be established based upon

6 **Section 5.** During the first six months of service, employees eligible to accrue vacation leave

1 **ARTICLE 6: SICK LEAVE**

2 *Section 1.* Every regular full-time and part-time employee shall accrue sick leave benefits at a
3 monthly rate equal to 0.04616 for each hour in pay status exclusive of overtime or comp time up to a
4 maximum of eight (8) hours per month; except that sick leave shall not begin to accrue until the first
5 of the month following the month in which the employee commenced employment. The employee is
6 not entitled to sick leave if not previously earned.

7 There shall be no limit to the hours of sick leave benefits accrued by an eligible employee.

8 *Section 2.* Sick leave may be applied to absence caused by illness or injury of an employee.
9 Sick leave may be used for medical, dental or ocular appointments when absence during work hours
10 for this purpose is authorized by the Division Manager. In any instance involving use of a fraction of
11 a day's sick leave, the minimum charge to the employee's sick leave account shall be one-half (1/2)
12 hour. The department head shall be responsible for control or abuse of the sick leave privilege. The
13 employee may be required to furnish a certificate issued by a licensed health physician or other
14 satisfactory evidence of illness to the appointing authority.

15 *Section 3.*

16 A. For purposes of this section, immediate family means: grandparent, grandchild,
17 parent, spouse, domestic partner, child, stepchild, son-in-law, daughter-in-law, and siblings of the
18 employee, spouse, or the employee's domestic partner, and any persons for whose financial or
19 physical care the employee is principally responsible.

20 B. Sick leave may be used to care for an immediate family member in accordance
21 with King County Personnel Guidelines 14.4.3.F(6)

22 C. *Family and Medical Leave.* Bargaining unit members shall be granted benefits
23 consistent with all provisions of the King County Family and Medical Leave Act (KCFML), *K.C.C.*
24 *3.12.220(I)*. This includes but is not limited to eligibility requirements, terms, conditions and
25 restrictions.

26 D. In the application of any of the foregoing provisions, when a holiday or regular day
27 off falls within the prescribed period of absence, it shall not be charged.

28 *Section 4.* Sick leave shall not be used in lieu of vacation, but vacation may be used in lieu

1 of sick leave, after accrued sick leave has been exhausted.

2 **Section 5. Workers' Compensation.** If an employee is injured on the job and requires
3 immediate medical treatment, the employee will be compensated in full for the rest of the workday
4 without being required to use sick leave or vacation leave. The employee can use accrued sick leave
5 if the injury requires the employee to miss any scheduled workdays in the first three calendar days
6 after the injury. Workers' Compensation Payments begin on the fourth day after the injury and
7 continue during the period of disability. If the employee's disability period extends beyond 14
8 calendar days, then accrued leave taken will be reimbursed as determined by the Safety and Claims
9 Management Section. Sick leave pay may be used to supplement industrial insurance benefits in an
10 amount that is necessary to maintain the employee's regular net pay. Any earned vacation leave may
11 be used in a like manner after sick leave is exhausted.

12 **Section 6.** Termination of an employee's continuous service, except by reason of temporary
13 lay-off for work or funds, shall cancel all sick leave accrued to the time of such termination. Should
14 the employee resign in good standing and return to County employment within two (2) years, he or
15 she shall have accrued sick leave restored. No payment shall be made to any employee for unused
16 sick leave accumulated to his or her credit at the time of termination or employment, regardless of the
17 reason therefore, except as provided for in KCC 3.12.220(F). The date of termination of employment
18 shall be considered as the date certified by the department head as the last day worked and shall not
19 include the equivalent time involved in any overtime or vacation payoff made at the time of
20 termination. The provisions of this rule include termination of service by death.

21 **Section 7.** Sick leave because of an employee's physical incapacity will not be approved
22 when the injury or illness is directly traceable to employment other than with the County of King.

23 **Section 8.** Information about Employee Assistance Programs (EAP) offered by the County
24 will be available to employees.

25 **Section 9.** King County will reimburse those employees who have at least five (5) years
26 service and retire as a result of length of service, or who terminate by death, thirty-five percent (35%)
27 of their unused sick leave. All payments shall be made in cash, based on employees base rate, and
28 there shall be no deferred sick leave payments. Retirement for the purposes of this Article shall

1 mean any employee who at the time of termination is eligible to begin receiving benefits immediately
2 under the Public Employees Retirement System.

3 **Section 10. Bereavement Leave.** All employees eligible for leave benefits are entitled to
4 three paid days per incident of bereavement leave due to the death of an immediate family member.

5 An employee who has exhausted his or her bereavement leave may use up to three days of
6 sick leave for each instance when death occurs to an immediate family member. If no sick leave
7 benefit is authorized or exists for the employee, then the Division Manager may approve leave
8 without pay. Holidays or regular days off falling within the prescribed period of absence will not be
9 charged against bereavement pay entitlement.

10 **Section 11. Donation of Vacation and Sick Leave Hours.**

11 A. Vacation leave hours.

12 1. Any full-time regular employee or part-time regular employee, who is
13 employed at least half-time and receives vacation and sick leave may donate a portion of his or her
14 accrued vacation leave to a full-time regular employee or part-time regular employee who is
15 employed at least half-time and receives vacation and sick leave. Such donation will occur upon
16 written request to and approval of the donating and receiving employees' department director(s),
17 except that requests for vacation donation made for the purposes of supplementing the sick leave
18 benefits of the receiving employee shall not be denied unless approval would result in a departmental
19 hardship for the receiving department.

20 2. The number of hours donated shall not exceed the donor's accrued vacation
21 credits as of the date of the request. No donation of vacation hours shall be permitted where it would
22 cause the employee receiving the transfer to exceed his or her maximum vacation accrual.

23 3. Donated vacation leave hours must be used within ninety (90) calendar days
24 following the date of donation. Donated hours not used within ninety (90) days or due to the death of
25 the receiving employee shall revert to the donor. Donated vacation leave hours shall be excluded
26 from vacation leave payoff provisions contained in this Agreement. For purposes of this section, the
27 first hours used by an employee shall be accrued vacation leave hours.

28 B. Sick leave hours.

1 1. Any full-time regular employee or part-time regular employee who is
2 employed at least half-time and received vacation and sick leave may donate a portion of his or her
3 accrued sick leave to a full-time regular employee or part-time regular employee who is employed at
4 least half-time and receives vacation and sick leave, upon written notice to the donating and receiving
5 employees' department director(s).

6 2. No donation shall be permitted unless the donating employee's sick leave
7 accrual balance immediately subsequent to the donation is one hundred (100) hours or more. No
8 employee may donate more than twenty-five (25) hours of his or her accrued sick leave in a calendar
9 year.

10 3. Donated sick leave hours must be used within ninety (90) calendar days.
11 Donated hours not used within ninety (90) days or due to the death of the receiving employee shall
12 revert to the donor. Donated sick leave hours shall be excluded from the sick leave payoff provisions
13 contained in this Agreement, and sick leave restoration provisions contained in this Agreement. For
14 purposes of this section, the first hours used by an employee shall be accrued sick leave hours.

15 C. All donations of vacation and sick leave made under this Agreement are strictly
16 voluntary. Employees are prohibited from soliciting, offering or receiving monetary or any other
17 compensation or benefits in exchange for donating vacation or sick leave hours.

18 D. All vacation and sick leave hours donated shall be converted to a dollar value
19 based on the donor's straight time hourly rate at the time of donation. Such dollar value will then be
20 divided by the receiving employee's hourly rate to determine the actual number of hours received.
21 Unused donated vacation and sick leave shall be reconverted based on the donor's straight time
22 hourly rate at the time of reconversion.

23 **Section 12. Family Care.** To the extent Washington State law provides more extensive
24 benefits for use of paid leave for family care, the Union and the County agree that state law shall
25 prevail.

26

27

28

1 **ARTICLE 7: WAGE RATES**

2 *Section 1.* Wage rates effective January 1, 2008 shall be in accordance with the job
3 classifications and ranges in the wage Addendum of this Agreement.

4 *Section 2.* Effective January 1, 2009, rates in effect on December 31, 2008 shall be increased
5 by 90% of the increase from September, 2007 to September, 2008 in the United States City Average
6 Consumer Price Index for Urban Wage Earners and Clerical Workers (the U.S. CPI-W); provided,
7 however, that the amount produced by application of the foregoing shall not be less than two percent
8 (2.0%) nor greater than six percent (6.0%).

9 *Section 3.* Effective January 1, 2010, rates in effect on December 31, 2009 shall be increased
10 by 90% of the increase from September, 2008 to September, 2009 in the United States City Average
11 Consumer Price Index for Urban Wage Earners and Clerical Workers (the U.S. CPI-W); provided,
12 however, that the amount produced by application of the foregoing shall not be less than two percent
13 (2.0%) nor greater than six percent (6.0%).

14 *Section 4.* While it is the prerogative of the management of the Information and
15 Telecommunications Services Section to determine which employees of the Print Shop will be
16 designated as Lead and, thus, receive the premium pay, we understand and appreciate the concerns of
17 the employees currently so assigned that their lead pay not be revoked without providing an
18 opportunity to discuss the matter. The County therefore, agrees to the following:

19 1. The Information and Telecommunications Services Division Manager or designee
20 will notify the Union and the affected employee at least ten work days prior to revoking the Lead
21 status of that individual.

22 2. If requested by the Union, a meeting will be scheduled to discuss the situation.
23 Scheduling of such a meeting will not serve to delay the revocation of the Lead assignment.

24 3. Upon revocation of the Lead status and Lead pay, the employee will no longer be
25 required to perform the additional duties/functions associated with that Lead assignment.

26 *Section 5.* Temporary Bindery Worker will be limited to 30 aggregate shifts per each six
27 calendar-month (January-June and July-December) as a temporary. Temporary employees receive no
28 benefits or pay in lieu of benefits unless the individual qualifies for same under the County

1 Personnel Ordinance.

2 **Section 6.** If an employee of the Print Shop is promoted, the first-year rate will be five
3 percent (5%) over the individual's current rate of pay or step one of the new classification, which ever
4 is higher.

5 **Section 7.**

6 A. Employees assigned to perform leadworker duties shall be paid one dollar and
7 twenty-five cents (\$1.25) per hour premium for all time spent while so assigned.

8 B. Employees assigned to a second shift shall be paid a twenty-seven cents (\$ 0.27)
9 per hour premium for all time spent while so assigned.

10 C. Work Outside of Classification. An employee assigned in writing to work outside
11 of classification for a period in excess of one-half the shift, shall be paid at the rate of the higher
12 classification for all time so assigned.

15 regularly scheduled work day for the individual crew.

16 *Section 5.* Required work at other than the normal scheduled working hours, or special
17 scheduled working hours not enumerated above shall be credited as such. This unscheduled and
18 emergency work will be compensated at one and one-half (1-1/2) times the regular rate, and in the
19 event this work is accomplished prior to the normal working hours and the employee subsequently
20 works his/her regular shift, his/her regular shift shall be compensated at regular time.

12 hours each, exclusive of lunch period, for a total of forty (40) hours per week.

13 **Overtime** - Effective following ratification of this Agreement, employees on a four (4)
14 day schedule shall be paid at the rate of one and one-half (1-1/2) times the regular hourly rate for all
15 hours worked in excess of ten (10) in one day or forty (40) in one week or for any work performed on
16 Saturday or Sunday when the employee's normal work schedule is Tuesday through Friday or
17 Monday through Thursday.

18 **Vacations** - Hourly vacation accrual rates shall not be affected upon implementation of
19 a four day work schedule. Vacation benefits shall be expended on an hourly basis (for example, an
20 employee scheduled to work ten (10) hours shall be charged with the use of 10 hours of vacation for
21 each day of vacation).

22 **Sick Leave** - Hourly sick leave accrual rates shall not be affected upon implementation
23 of a four day work schedule. Sick leave benefits shall be based on number of hours worked and shall
24 be expended on an hourly basis.

25 **Scheduling** - Scheduling of days and hours of work shall be the sole prerogative of the
26 employer.

27 **Discontinuance** - The Employer shall have the right to discontinue the four (4) day
28 work week schedule for any business or operational reason provided at least four (4) weeks prior

1 notification is given, after which the terms and conditions of four (4) day work week schedule
2 portions of this Agreement shall become null and void. Nothing in this Section shall be interpreted in
3 such a way as to prevent individual employees from returning to a five (5) day work week schedule
4 with less than a four (4) week prior notification providing such a change is mutually agreeable
5 between the employee and the Employer.

1 **ARTICLE 11: MISCELLANEOUS**

2 *Section 1.* An employee elected or appointed to an office in a local of the signatory
3 organization shall be given a leave of absence not to exceed three years without pay upon application.

4 *Section 2.* The Division of Information and Telecommunications Services subscribes to the
5 career ladder concept and will promote from within consistent with the dictates of good management
6 practice. Position vacancies shall be filled in accordance with the King County Personnel Guidelines;
7 provided that regular employees covered by this bargaining agreement shall have notice of the
8 vacancies and the opportunity to request simultaneous consideration for advancement to openings for
9 which they qualify; provided further that hiring decisions shall be the sole province of management.

10 *Section 3.* The employer agrees to permit the Union to post on County bulletin boards the
11 announcement of meetings, election of officers, and any other Union material, providing there is
12 sufficient space, beyond what is required by the County for "normal" business operations.

13 *Section 4. New Technology or Equipment.* In the event that the County acquires new
14 technology or off-set printing equipment, the County shall provide written notice to the Union within
15 a reasonable time prior to installation. The County agrees to meet and confer with the Union
16 regarding the introduction of such technology or equipment and any impact it may have on bargaining
17 unit work. If, as a result of the acquisition, positions are reclassified, any negotiated wage changes
18 will be retroactive to the date the operation of the new technology/equipment commenced.

19 *Section 5. Re-opener.* During the term of this Agreement, the parties agree to negotiate the
20 subject of Pension Withholding for the GCIU Interlocal Pension Fund.

1 **ARTICLE 12: DISPUTE RESOLUTION PROCEDURES.**

2 **Section 1.** The employer shall not discipline an employee for other than just cause.

3 **Section 2.** In the event the employer requires an employee to attend a meeting for purposes of
4 discussing an incident which may lead to suspension, demotion, or termination of that employee, the
5 employee has the right to be accompanied by a representative of the Union. If the employee desires
6 Union representation in said matter, he shall notify the Employer at that time and shall be provided a
7 reasonable time, up to one work day, to arrange for Union representation.

8 **Section 3. Grievance/Arbitration/Mediation.** King County recognizes the importance and
9 desirability of settling grievances promptly and fairly in the interest of continued good employee
10 relations and morale and to this end the following procedure is outlined. To accomplish this, every
11 effort will be made to settle grievances at the lowest possible level of supervision.

12 Employees will be unimpeded and free from restraint, interference, coercion, discrimination
13 or reprisal in seeking adjudication of their grievances.

14 **A. Definition.**

15 **Grievance** - A claim by an employee or their union that the terms of this Agreement
16 have been violated and/or a dispute exists concerning the proper application or interpretation of this
17 Agreement.

18 **B. Procedure.**

19 **Step 1.** A grievance shall be verbally presented by the aggrieved employee and
20 his/her representative, if the employee wishes, within ten (10) working days of the occurrence of such
21 grievance, to the employee's supervisor. The supervisor shall gain all relevant facts and shall attempt
22 to adjust the matter and notify the employee within ten (10) working days. If a grievance is not
23 presented in writing to the next level within ten (10) working days, it shall be presumed resolved.

24 **Step 2.** If after thorough discussion with the supervisor, the grievance has not
25 been satisfactorily resolved, the employee and his/her representative shall reduce the grievance to
26 writing, outlining the facts as they are understood. The written grievance may then be presented to
27 the Section Manager within ten (10) workdays as stated above for investigation, discussion, and
28 written reply. The Section Manager shall make his/her written decision available to the aggrieved

1 employee within ten (10) working days. If the grievance is not pursued to the next higher level within
2 the following ten (10) working days, it shall be presumed resolved.

3 *Step 3.* If after thorough evaluation, the decision of the Section Manager has
4 not resolved the grievance to the satisfaction of the employee, the grievance may be presented to the
5 Division Manager. All letters, memoranda and other written materials previously submitted to lower
6 levels of supervision shall be made available for the review and consideration of the Division
7 Manager. He/she may interview the employee and/or his/her representative and receive any
8 additional related evidence which he/she may deem pertinent to the grievance. He/she shall make
9 his/her written decision available within fifteen (15) working days. The Division Manager's final
10 pre-arbitration response must be concurred in by the Director of the Human Resources Division
11 (HRD) of the Department of Executive Services. If the matter is not resolved, HRD will be the
12 Union's contact thereafter in this process. If the grievance is not pursued to the next higher level
13 within thirty (30) working days, it shall be presumed resolved.

14 *Step 4.* If within thirty (30) calendar days of the date of response provided in
15 Step three, the matter has not been resolved the grievance may be submitted to Arbitration. If
16 Arbitration has been timely requested, the parties may with mutual consent attempt Grievance
17 Mediation. The process will use a mutually acceptable mediator and conclude within 30 days after
18 the mutual request.

19 Should arbitration be necessary either after an attempt to mediate the dispute or directly after
20 Step three, the Parties shall select a third disinterested party to serve as an arbitrator. In the event that
21 the parties are unable to agree upon an arbitrator, then the arbitrator shall be selected from a panel of
22 five arbitrators furnished by the American Arbitration Association or the Federal Mediation and
23 Conciliation Service, whichever source is mutually acceptable. The arbitrator will be selected from
24 the list by both the County representative and the Union, each alternately striking a name from the list
25 until only one name remains. The party to strike first shall be determined by a coin toss. The
26 arbitrator under voluntary labor arbitration rules of the Association shall be asked to render a decision
27 promptly and the decision of the arbitrator shall be final and binding on both parties. No matter may
28 be arbitrated which the County, by law, has no authority over, has no authority to change, or has

1 been delegated to any civil service commission or personnel board, as defined in R.C.W.41.56. The
2 arbitrator shall have no power to change, alter, detract from or add to the provisions of this
3 Agreement, but shall have the power only to apply and interpret the provisions of this Agreement in
4 reaching a decision.

5 The arbitrator's fee and expenses and any court reporter's fee and expenses shall be borne
6 equally by both parties. Each party shall bear the cost of its own legal fees regardless of the outcome
7 of the arbitration.

8 *C. Time Limits.* Time limits may be extended upon written consent of the parties.

9 *Section 4. Alternative Dispute Resolution procedures.*

10 *A. Unfair Labor Practice.* The parties agree that 30 days prior to filing a ULP
11 complaint with the Public Employment Relations Commission (PERC), the complaining party will
12 notify the other party, in writing, meet, and make a good faith attempt to resolve the concerns unless
13 the deadline for filing with PERC would otherwise pass or the complaining party is seeking a
14 temporary restraining order as relief for the alleged Unfair Labor Practice.

15 *B. Grievance.* After a grievance is initially filed, the following Alternative Dispute
16 Resolution (ADR) process may be followed, with mutual consent. This process will not exceed 10
17 days:

18 1. A meeting will be arranged by the Union Representative and HR Rep. (or
19 their designees) to attempt to resolve the matter.

20 2. a. The meeting will include a mediator and the affected parties.

21 b. The parties may mutually agree to other participants such as union and
22 management representatives or subject matter experts.

23 3. The parties will meet at mutually agreeable times to attempt to resolve the
24 matter.

25 4. If the matter is resolved, the grievance will be withdrawn.

26 5. If the matter is not resolved, the grievance will continue through the
27 grievance process.

28 6. The moving party can initiate the next step in the grievance process at the

1 appropriate times, irrespective of this process.

2 7. Offers to settle and aspects of settlement discussions will not be used as
3 evidence or referred to if the grievance is not resolved by this process.

4 This Section does not supersede or preclude any use of grievance mediation later in the
5 grievance process.

ARTICLE 13: NONDISCRIMINATION

Section 1. The employer or the Union shall not discriminate against any individual with respect to compensation, terms, conditions, or privileges of employment because of race, color, religion, national origin, age, sex, sexual orientation, mental or physical disability.

1 **ARTICLE 14: SAVINGS CLAUSE**

2 Should any part hereof or any provision herein contained be rendered or declared invalid by
3 reason of any existing or subsequently enacted legislation or by any decree of a court of competent
4 jurisdiction, such invalidation of such part or portion of this Agreement shall not invalidate the
5 remaining portions thereof; provided however, upon such invalidation the parties agree immediately

1 **ARTICLE 15: WORK STOPPAGES AND EMPLOYER PROTECTION**

2 **Section 1.** The employer and the signatory organization agree that the public interest requires
3 efficient and uninterrupted performance of all County services and to this end pledge their best efforts
4 to avoid or eliminate any conduct contrary to this objective. Specifically, the signatory organization
5 shall not cause or condone any work stoppage, including any strike, slowdown, or refusal to perform
6 any customarily assigned duties, sick leave absence which is not bona fide, or other interference with
7 County functions by employees under this Agreement and should same occur, the signatory
8 organization agrees to take appropriate steps to end such interference. Any concerted action by any
9 employees in any bargaining unit shall be deemed a work stoppage if any of the above activities have
10 occurred.

11 **Section 2.** Upon notification in writing by the County to the signatory organization that any
12 of its members are engaged in a work stoppage, the signatory organization shall immediately, in
13 writing, order such members to immediately cease engaging in such work stoppage and provide the
14 County with a copy of such order. In addition, if requested by the County, a responsible official of
15 the signatory organization shall publicly order such signatory organization employees to cease
16 engaging in such work stoppage.

17 **Section 3.** Any employee participating in such work stoppage or in other ways committing an
18 act prohibited in this Article shall be considered absent without authorized leave and shall be
19 considered to have resigned.

1 **ARTICLE 16: WAIVER CLAUSE**

2 The parties acknowledge that each has had the unlimited right within the law and the
3 opportunity to make demands and proposals with respect to any matter deemed a proper subject for
4 collective bargaining. The results of the exercise of the right and opportunity are set forth in this
5 Agreement. Therefore, the County and the signatory organization, for the duration of the Agreement,
6 each agree to waive the right to oblige the other party to bargain with respect to any subject or matter
7 not specifically referred to or covered in this Agreement.

1 **ARTICLE 17: CONTRACTING WORK**

2 The County will not contract work which the members of the Union have historically
3 performed unless it is required by law or is a business necessity due to an emergency situation or to
4 augment the work force on a short term, temporary basis. Except for emergency situations the
5 County will provide notice to the Union of its intent to contract out, upon request, bargain the
6 decision and its effects of that decision. Except as provided herein, under no circumstances will the
7 County agree to any long term or permanent contracting out of bargaining unit work. Nothing in this
8 provision will limit what the County has historically contracted out, and no jobs will be eliminated
9 due to contracting out.

1 **ARTICLE 18: REDUCTION-IN-FORCE**

2 *Section 1.* Employees laid off as a result of a reduction of work and/or a shortage of funds
3 shall be laid off within the classification according to county wide seniority. Employees with the
4 least amount of county wide seniority shall be laid off first; however, in the event of two (2)
5 employees having the same seniority, ability, skill and other relevant job-related factors shall be the
6 determining factors on retention.

7 *Section 2.* Employees laid off shall be recalled in the inverse order of layoff, those with the
8 most seniority being recalled first. In the event of a layoff where more senior employees are
9 displaced by lack of funds, curtailment of project, etc., then such employees shall be entitled to bump
10 less senior employees, the intent being that the least senior employees will be laid off first.

11 *Section 3.* Prior to any layoff, all employees other than permanent employees in the
12 bargaining unit shall be removed from the payroll first. This shall include temporary employees,
13 student hires and probationary employees.

14 *Section 4.* The County agrees to notify the Union at least two (2) weeks in advance, in

16 and seniority dates of all employees within the affected department and the names, classifications,
17 and seniority dates of employees scheduled to be laid off.
