4 35A.21.210.

6 **STATEMENT OF FACTS:**

7 1. On April 7, 2006, King County, the city of Redmond, and the Quadrant
8 Corporation entered into a settlement agreement to resolve the issues that
9 were raised in the appeal of the Redmond Ridge East Urban Planned
10 Development ("UPD") permit and preliminary plat application.

11 2. One of the issues addressed in the agreement was the improvement of
12 the intersection of NE 124th Street and Redmond-Woodinville Road. At
13 the time of the agreement, the right-of-way where the improvement was
14 proposed was located in unincorporated King County abutting the north
15 corporate boundary of the city of Redmond.

16 3. The King County executive and the Redmond city mayor agreed that, if
17 Transportation Improvement Board ("TIB") funding for the intersection

18 improvement was approved, the executive and the mayor would
19 recommend to their respective councils that the boundary between the city
20 and the county in the location of the proposed improvement be moved
21 from the south side of the NE 124th Street right-of-way to the north side,
22 thereby placing that portion of the right-of-way within the city. After the
23 boundary revision, the city of Redmond would have the responsibility for
24 the construction of the improvement.

25 4. These settlement agreement provisions were incorporated in section
26 2.10.6 of the Redmond Ridge East UPD permit, which was approved by
27 the King County council in Ordinance 15565 on August 21, 2006.

28 5. RCW 35.21.790 and 35A.21.210 authorize the county and the city to
29 agree to revise any part of the corporate boundary of the city that
30 coincides with the centerline, edge, or any portion of a county road-right-
31 of way by substituting therefore a right-of-way line of the same county
32 road so as fully to include that segment of the county road within the
33 corporate limits of the city.

34 6. The corporate boundary revision is effective upon approval by King
35 County ordinance. Such a boundary revision is not subject to potential
36 review by the boundary review board.

37 7. The TIB awarded a grant to the city of Redmond for the intersection
38 improvement at NE 124th Street and Redmond-Woodinville Road, as
39 described in the settlement agreement and the UPD permit.

40 8. On September 12, 2007, King County enacted Ordinance 15890
41 approving the city of Redmond's revision of its corporate boundary at NE
42 124th Street in the location of the intersection improvement placing
43 approximately 650 feet of right-of-way east of the intersection from the
44 county to the city.

45 9. Recent review of the intersection improvement by the city of Redmond
46 showed that the location of the intersection improvement extends an
47 additional 640 feet east of the previously approved corporate boundary
48 revision.

49 10. On July 15, 2008, the city enacted Ordinance 2407 to revise its
50 corporate boundary at NE 124th Street to encompass the entire location of
51 the intersection improvement by annexing an additional 640 feet of right-
52 of-way east of the previously approved corporate boundary revision, as
53 contemplated in the settlement agreement and the UPD permit.

54 11. It is in the city of Redmond and King County's best interests to have
55 this right-of-way under the city of Redmond's jurisdiction so that the city
56 of Redmond may accomplish the intersection improvement described in
57 the settlement agreement and the UPD permit.

58 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

60

61 include the section of NE 124th Street right-of-way legally described as set forth in
