Failure of King County to enforce or exercise its rights under any provision of this Franchise or applicable law does not constitute a waiver of its rights to enforce or exercise a right in any other provision of this Franchise or applicable law.

COUNTY HEREBY DISCLAIMS ANY REPRESENTATION OR WARRANTY, WHETHER EXPRESS OR IMPLIED, AS TO THE DESIGN OR CONDITION OF THE FRANCHISE AREA, ITS MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, THE QUALITY OF THE MATERIAL OR WORKMANSHIP OF THE PUBLIC RIGHT-OF-WAY, OR THE CONFORMITY OF ANY PART OF THE PUBLIC RIGHT-OF-WAY TO ITS INTENDED USES. COUNTY SHALL NOT BE RESPONSIBLE TO GRANTEE OR ANY OF GRANTEE'S CONTRACTORS FOR ANY DAMAGES RELATING TO THE DESIGN, CONDITION, QUALITY, SAFETY, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OF ANY PART OF THE PUBLIC RIGHT-OF-WAY PRESENT ON OR CONSTITUTING ANY FRANCHISE AREA, OR THE CONFORMITY OF ANY SUCH PROPERTY TO ITS INTENDED USES.

from the products contained in, transferred through, released or escaped from Grantee's facilities. The Grantee's obligations under this section shall include:

- A. Indemnification for such claims whether or not they arise from the sole negligence of the Grantee, the concurrent negligence of both parties, or the negligence of one or more third parties.

15. SECURITY FOR PERFORMANCE

A. Performance and Payment Bond

On or before the Effective Date of this Franchise, the Grantee shall furnish a bond executed by the Grantee and a corporate surety authorized to do surety business in the State of Washington, with an A.M. Best financial strength rating of A XII in the amount of Ten Thousand (10,000) dollars ("Security Amount"), which amount shall be adjusted for inflation every 5 years and may be changed by mutual agreement of the parties to be sufficient to insure performance and payment of the Grantee's obligations and performance under this Franchise. The Grantee shall pay all premiums or costs associated with maintaining the Performance and payment bond, and shall keep the same in full force and effect throughout the term of the Franchise. In the event a claim against the bond is paid, the Grantee shall thereupon ensure that the bond is replenished to the full inflation-adjusted Security Amount. If Grantee fails to provide or maintain the bond, then the County, in its sole discretion, shall

require Grantee to substitute an equivalent cash deposit or an irrevocable letter of credit as described below in lieu of the bond.

The insurance and bond provisions contained herein shall survive the termination of this Franchise and shall continue for as long as the Grantee's Facilities shall remain in or on the Franchised areas or until the parties execute a new Franchise or other agreement which modifies or terminates these insurance and bond provisions.

B. Security Fund in Lieu of Bond.

1. Grantee may, at its election or upon order by the County, substitute an equivalent cash deposit with an escrow agent approved by the County or an irrevocable letter of credit, instead of a performance and payment bond. This cash deposit or letter of credit shall be set in an amount to ensure the full and faithful performance of all of Grantee's responsibilities hereto under this Franchise and compliance with all orders, permits and applicable Laws, and shall be adjustable annually by the County. This includes but, is not limited to, its obligations to relocate or remove its Facilities, restore the County Road Rights-of-Way and other property to their original condition, reimbursing the County for its costs, keeping Grantee's insurance in full force, and the timely receipt of the annual fee by the County.
2. The County shall notify Grantee in writing, by certified mail, of any Default and shall give Grantee thirty (30) days from the date of such notice to cure any such Default. In the event that the Grantee fails to cure such Default to the satisfaction of the County, the County may, at its option, draw upon the cash deposit or letter of credit up to the amount of the County's costs incurred to cure Grantee's Default. Upon the County's cure of Grantee's Default, the County shall notify Grantee in writing of such cure. In the event that the County draws upon the cash deposit or letter of credit, Grantee shall thereupon replenish the cash deposit or letter of credit to the full inflation-adjusted amount as specified herein or provide a replacement performance and payment bond.
3. If a letter of credit is furnished pursuant to subsection B (1), the letter of credit shall then be maintained at that same amount throughout the remaining term of this Franchise and for so long as Grantee Facilities are located within the Franchise Area.

4. Failure to maintain or restore the security fund or letter of credit
In the full inflation-adjusted Security Amount shall constitute a material breach of this Franchise.
5. The rights reserved to the County herein are in addition to all other rights of the County, whether reserved herein or authorized by applicable Law, and no action, proceeding, or exercise of a right with respect to such security fund or letter of credit will affect any other right the County may have. Neither the filing of a letter of credit with the County, nor the receipt of any damages recovered by the County thereunder, shall be construed to excuse faithful performance by the Grantee or limit the liability of the Grantee under the terms of its Franchise for damages, either to the full amount of the letter of credit or otherwise.

C. Liens.

Grantee shall inform each mechanic, artisan, materialman and other contractor related to this Franchise that the County Roads Right-of-Way and other Public property is not subject to attachment for liens related to the Franchise. In the event that any County property becomes subject to any claims for mechanics', artisans', or materialmen's liens, or other encumbrances chargeable to or through Grantee which Grantee does not contest in good faith, Grantee shall promptly, and in any event within 30 days, cause such lien claim or encumbrance to be discharged or released of record (by payment, posting of bond, court deposit, or other means), without cost to the County, and shall indemnify the County against all costs and expenses (including attorneys' fees) incurred in discharging and releasing such claim of lien or encumbrance. If any such claim or encumbrance is not so discharged and released, the County may pay or secure the release or discharge thereof at the expense of Grantee after first giving Grantee five business days' advance notice of its intention to do so. The County may charge such expenses against the performance bond, security fund or letter of credit. Nothing herein shall preclude Grantee's or the County's contest of a claim for lien or other encumbrance chargeable to or through Grantee or the County, or of a contract or action upon which the same arose.

16. FRANCHISE FEE AND COSTS

A. Utility Tax.

The County reserves the right to impose a Utility tax on the Grantee as set out in the Special Terms and Conditions Exhibit B, Section 1.

B. Franchise Fees.

Grantee shall reimburse the County for the County's actual costs relating to the issuance, renewal, amendment (if requested by or for the benefit of the Grantee) and administration of this Franchise.

D. Reimbursement of Actual Costs of Design Review and Inspection.

County review and inspections, as provided for in this Franchise, are for the sole purpose of protecting the County's rights as the owner or manager of the County Roads Rights-of-Way and are separate and distinct from the approvals and inspections and fees that may be required pursuant to a right-of-way construction permit. Therefore, Grantee shall reimburse to the County, its actual costs of review and inspections, to the extent that such costs are not included in the costs for issuance of and compliance with the right-of-way construction permit. Review and inspection, by way of example and not limitation, include review of design documents and inspection for compliance with Standards and 100% Design Documents.

E. Reimbursement of Actual Costs of altering Public Rights-of-Way.

Grantee shall reimburse the County of the actual costs incurred by the County in planning, designing, constructing, installing, repairing, relocating or altering any County infrastructure, structure, or facility as the result of the actual or proposed presence in the County Roads Right-of-Way of Grantee's Facilities. Such costs and expenses shall include, but not be limited to, the costs of County personnel and contractors utilized to oversee or engage in any work in the County Roads Rights-of-Way as the result of the presence of Grantee's Facilities in the County Roads Rights-of-Way, and any time spent reviewing construction plans in order to either accomplish the relocation of Grantee's Facilities or the routing or rerouting of any public Utilities or County Roads Rights-of-Way so as not to interfere with Grantee's Facilities. Upon request as a condition of payment by Grantee, all billing will be itemized so as to specifically identify the costs and expenses for each project for which the County claims reimbursement. A reasonable charge for the actual cost incurred in preparing the billing may also be included in said billing.

F. Grantee Responsibility for Costs.

Except as expressly provided otherwise in this Franchise, any act that Grantee, its contractors or subcontractors are required to perform under this Franchise shall be performed at their sole cost and expense.

G. Grantee Work Performed by the County.

Any work performed by the County that Grantee has failed to perform as required pursuant to this Franchise and which is performed by the County in accordance with the terms of this Franchise, shall be performed at the cost and expense of the Grantee. Grantee shall be obligated to pay to the County the actual costs of performing such work, plus overhead costs at the standard rate charged by the County.

17. VACATION

If at any time King County vacates any County road rights-of-way covered by this Franchise, King County will not be held liable for any damages or loss to the Grantee by reason of such vacation. King County may, after giving ninety (90) days written notice to the Grantee, terminate this Franchise with respect to any County road rights-of-way vacated. Upon receiving the notice the Grantee will use its best efforts to secure a continuing easement or remove its Facilities from the proposed vacation area. Alternatively, if the Grantee is unable to secure an easement or remove its Facilities and so notifies King County, the King County Council may in its vacation proceedings reserve an easement for the Grantee.

18. REPAIR, REMOVAL OR RELOCATION

The Grantee hereby covenants, at its own expense, to keep its Facilities covered by this Franchise in good repair and working order so that the presence of such Facilities in the County Road Rights-of-Way shall not cause damage to property, the roadway, county property, the Facilities or appurtenances of other Utilities, or the environment, cause injury to persons, or otherwise impair the public's right to travel on or otherwise use the roadway. All pipeline Construction, Maintenance or Operation undertaken by Grantee, upon Grantee's direction or on Grantee's behalf shall be completed in a workmanlike manner.

Repair, removal and relocation of Grantee's Facilities within County Road Rights-of-Way are the sole responsibility of Grantee. Facilities installed by Grantee within County Road Rights-of-Way shall remain the sole responsibility of Grantee and its Members until the Facilities are removed and roadway restored to current Road Standards.

The Grantee hereby covenants, at its own expense, to repair, remove or relocate its Facilities including all appurtenant Facilities and service lines connecting its system to

members and users, within King County Road Rights-of-Way if such repair, removal or relocation is required by King County for any County purpose including but not limited to, the need to allow for an improvement or alteration planned by King County in such road right-of-way. The Grantee shall correct or repair, at its own expense, any defective work or damage to property associated with the repair, removal, or relocation of its facilities for any reason.

The County shall give the Grantee written notice of such requirement as soon as practicable, at the beginning of the pre-design stage for projects that are part of the County's capital improvement program, including such available information as is reasonably necessary for the Grantee to plan for such adjustment, removal or relocation. For projects that are not part of King County's capital improvement program that are deemed as maintenance, emergencies or urgent construction by King County, King County shall give the Grantee as much notice and information as is practical under the circumstances.

In addition to any other notice given to Grantee, for projects that are part of the County's capital improvement program, in addition to any other notice given to the Grantee, the County shall provide a vertical and horizontal profile of the roadway and drainage Facilities within it, both existing and as proposed by the County, and the proposed construction schedule. Notwithstanding any permit conditions that may later be applied to the County project, this initial design information shall be given at least 180 days before construction is scheduled to begin, except in cases of urgent construction or emergencies. The Grantee shall respond to this notice, and to any later notices of revised designs based on permit conditions, within no more than thirty (30) days by providing to the County the best available information as to the location of all of the Grantee's Facilities, including all appurtenant Facilities and service lines connecting its system to users and all Facilities that it has abandoned, within the area proposed for the public works project.

For joint construction contracts only, the County may offer the Grantee the opportunity to participate in the preparation of bid documents for the selection of a contractor to perform the public works project as well as all required adjustments, removals or relocations of the Grantee's Facilities. Such bid documents shall provide for an appropriate cost allocation between the parties. The County shall have sole authority to choose the contractor to perform such work. The Grantee and the County may negotiate an agreement for the Grantee to pay the County for its allocation of costs, but neither party shall be bound to enter into such an agreement. Under such an agreement, in addition to the Grantee's allocation of contractor's costs, the Grantee shall reimburse the County for costs, such as design, construction and contract management, inspections or soils testing, related to the Grantee's work and reasonably incurred by the County in the administration of such joint construction contracts. Such costs shall be calculated as the direct salary cost of the time of County professional and technical personnel spent productively engaged in such work, plus overhead costs at the standard rate charged by the county on other similar projects, including joint projects with other County agencies.

If the parties agree it is not feasible to relocate Grantee Facilities within County Road Rights-of-Way and the lack of relocation results in a King County design change to planned capital improvements or alterations of a County Road Right-of-Way, Grantee shall reimburse King County for the actual costs incurred to make the design change, acquire any necessary additional rights-of-way or easements and any additional costs to construct King County's project.

19. REQUIREMENT OF CONSTRUCTION PERMITS

- A. The Grantee, its successors or assigns, has the right, privilege, and authority to enter the County road rights-of-way for the purpose of Constructing, Operating, Maintaining, repairing, relocating, removing or replacing its transmission and delivery lines and appurtenances on the condition that it obtains permits approved by the Director and King County Real Estate Services and, when applicable, by the Department of Development and Environmental Services. If the Grantee fails to make good faith efforts to provide the above information within the deadlines provided by RCW 19.122, the Grantee shall hold the County harmless for all reasonable costs, and damages to such Facilities if such damage occurs as a result of the failure to provide such information. Nothing in this subsection is intended or shall be construed to create any rights in any third party or to form the basis for any obligation or liability on the part of the County or the Grantee toward any third party, nor is anything in this subsection intended to be construed to alter the rights and responsibilities of the parties under RCW 19.122, as amended.
5. Upon acceptance of this Franchise by Grantee, the Grantee shall file and thereafter maintain at all times with the Grantor a survey depicting the approximate location of Grantee's Facilities within the Franchise Area along with all other known Utilities, landmarks, and physical features.

9. On notice from the County that any work does not comply with this Franchise, approved permits, approved engineering plans and studies, applicable local, state and federal guidelines, standards and regulations, or work is being performed in an unsafe or dangerous manner as reasonably determined by the County, the non-compliant work may immediately be stopped by the County. The "stop work order" shall be, in writing; given to the person performing the work and be posted on the work site; indicate the nature of the alleged violation or unsafe condition; and establish conditions under which work may be resumed. If so ordered, Grantee shall cease and shall cause its contractors and subcontractors to cease such activity until the County is satisfied that the violation has been addressed. The County has the right to inspect, repair, and correct the unsafe condition if the Grantee fails to do so in a timely manner, and to reasonably charge the Grantee therefore.

Notification of any excavation shall be provided through the One-Call System as provided by RCW 19.122, as hereinafter amended.

26. SURVEY MARKERS AND MONUMENTS

It shall be the responsibility of the Grantee performing any construction work in the County road rights-of-way to restore any survey marker, reference, hubs, or monuments that were disturbed or destroyed during Grantee's work in the areas covered by this Franchise in accordance with RCW 58.09.130 and WAC 332-120, and as hereinafter amended. Such restoration shall be done in a manner consistent with applicable codes and laws, under the supervision of the Grantor.

27. LEAKS, RUPTURES AND EMERGENCY RESPONSE

Grantee shall have in place, at all times during the term of this Franchise, a system for monitoring safety and service delivery across the Franchise Area. The remote monitoring must be able to accurately detect pipeline failures in a manner sufficient to allow timely response to emergencies and potential hazards.

During the term of this Franchise, Grantee shall have a written emergency response plan and procedure.

Upon acceptance of this Franchise, Grantee shall provide, for Grantor's approval and acceptance, a copy of its emergency response plans and procedures.

Grantee's emergency plans and procedures shall designate Grantee's local emergency response officials and a direct 24-hour emergency contact number. Grantee shall, after being notified of an emergency, cooperate with the Grantor and make every effort to respond as soon as possible to protect the public's health, safety and welfare. Grantee's emergency plans shall also designate communication procedures for contacting local emergency response officials from fire, police, school, and health agencies.

Grantee shall be solely responsible for all necessary costs incurred in responding to any leaks or ruptures from Grantee's pipeline(s) and/or Facilities.

If requested by Grantor in writing, Grantee shall provide a written summary concerning any event within thirty (30) days of the event, including, but not limited to, the date, time, amount, location, response, remediation and other agencies Grantee has notified.

The Grantor may demand that any event be investigated by an independent consultant selected by the Grantor, and shall allow such consultants access to all Grantee Facilities for purposes of the investigation upon written request of the County. Grantee shall be solely responsible for paying all of the consultant's costs and expenses incurred in investigating the occurrence and reporting the findings. Grantee shall meet and confer with the independent consultant following the consultant's investigation to address whether any modifications or additions to Grantee's pipeline(s) and/or Facilities may be warranted.

28. REMOVAL, ABANDONMENT IN PLACE

In the event of Grantee's Abandonment of use of its Facilities, or any portion thereof, within the Franchise Area, for a period of 1 year for causes not amounting to force majeure with no immediate intent to resume use, the Grantee shall inform the County in writing. Grantee shall, after notice from the County that the Facilities must be removed, within one hundred and eighty days (180) or such other reasonable period specified by the County, after the cessation of use, remove the Facilities or any portion thereof.

In the event of the removal of all or a portion of the Facilities, Grantee shall restore the Franchise Area to as good or better condition as it was in before the work began.

Removal and restoration work shall be done at Grantee's sole cost and expense and to Grantor's reasonable satisfaction. Grantee shall be responsible for any environmental review required for the removal of any Facility and the payment of any costs of the environmental review.

If Grantee is required to remove its Facilities and fails to do so and/or fails to adequately restore the Franchise Area or other mutually agreed upon action(s), Grantor may, after reasonable notice to Grantee, remove the Facilities, restore the premises and/or take other action as is reasonably necessary at Grantee's expense. This remedy shall not be deemed to be exclusive and shall not prevent the County from seeking a judicial order directing that the Facilities be removed.

With the express written consent of the Grantor, the Grantee, as directed by Grantor, may abandon its Facilities in place. Grantee shall be responsible for any environmental review required for the abandonment of Facilities and the payment of any costs of such environmental review. Grantor's consent to the abandonment of Facilities in place shall not relieve the Grantee of the obligation and/or costs to remove or to alter such Facilities in the future in the event it is reasonably determined that removal or alterations is necessary or advisable for the health and safety of the public, in which case the Grantee shall perform such work at no cost to the Grantor. This paragraph shall survive the expiration, revocation or termination of this Franchise.

29. ASSIGNMENT AND WITHDRAWAL

The Grantee shall not have the right to assign this Franchise to third parties without the consent of the King County Council given by Ordinance. No assignment shall be effective unless an acceptance by the assignee of all rights, conditions, terms, provisions, and responsibilities contained within the Franchise, as well as the Security amounts and security instruments required by the Franchise are received. Council approval of the assignment may be made subject to the assignee's acceptance of new or modified terms of the Franchise.

30. EXPIRATION AND RENEWAL

All rights granted by this Franchise to County road rights-of-way outside incorporated towns and cities apply only to the existing County road rights-of-way described in Exhibit A during the term of this Franchise.

If the Grantee has initiated a renewal of this Franchise two years or more before it expires, the Council may, at its sole discretion, temporarily extend the term of the Franchise on a month to month basis for up to two year(s).

If the Grantee has not applied for a renewal of this Franchise two years or more before it expires, King County has the right to remove, relocate, or decommission its Facilities and appurtenances of the Grantee as is reasonably necessary for the public's health, welfare, safety, or convenience including, but not limited to, the safe operation of County roads, Franchise holders, or for the construction, renewing, altering, or improving of any County road right-of-way, or facilities of other Franchise holders. Grantee shall be liable for the costs incurred in any removal, relocation, or decommissioning of its Facilities and appurtenances under this section. Costs include the expense of labor and equipment.

If the Grantee has not initiated a renewal of this Franchise two years or more before it expires, the County may, at its sole discretion, discontinue issuing permits for the Construction and installation of new Facilities that would provide additional services or capacity.

31. CONTINUATION OF CERTAIN OBLIGATIONS

Upon suspension, revocation, expiration, termination, or abandonment of this Franchise, the Grantee shall continue to be responsible for the operation and maintenance of existing Facilities in the County road rights-of-way as ordered by the County until removed, assigned to another Franchised Utility or abandoned; however, the Grantee shall not have the right to use the Facilities to provide additional services or construct new Facilities. The Grantee shall continue to be responsible for insurance, indemnity and hold harmless, bonding, hazardous materials and environmental compliance, Maintenance, inspection, testing, repair, relocation, removal, performance of work, emergency response and abandonment. King County will issue permits required for the repair and maintenance of the existing Facilities in accordance with K.C.C. 14.44.055 as amended and Section 19 of this Franchise. This section and other pertinent sections of this Franchise shall continue in force until such time as the lines are removed from County road rights-of-way, assigned to another Franchised Utility, or abandoned in place with the approval of the Director of the Department of Transportation, Road Services Division.

32. AMENDMENT

King County reserves the right to amend or change the provisions of this Franchise as, in its judgment, the public good may demand. Amendment shall be by adoption of an ordinance.

33. COMPLIANCE WITH LAWS

Grantee shall conform to all applicable federal, state and local laws and regulations including, but not limited to, the State Environmental Policy Act, King County environmental standards and ordinances, and King County water supply and water service requirements in Chapter 13 of the King County code.

During the performance of this franchise, Grantee and any party subcontracting under the authority of this franchise shall not discriminate or engage in unfair contracting practices prohibited by KCC 12.17.

No person shall be denied, or subjected to discrimination in employment or in the receipt of employee benefits of any services or activities made possible by or resulting from this franchise. During the performance of this franchise, Grantee and any party subcontracting under the authority of this franchise shall not discriminate or engage in unfair employment practices prohibited by KCC 12.18.

Any violation of this provision shall be considered a violation of a material provision of this Franchise and shall be grounds for cancellation, termination or suspension in whole or in part, of the Franchise by the County and may result in ineligibility for further County agreements.

35. JUDICIAL REMEDIES

Either party shall be entitled to seek any and all remedies at law, in contract or in equity, against the other party, in the event of Default or breach of the Franchise, including without limitation to: 1) compel specific performance by Grantee of its obligations,

restrictions, covenants, representations, or warranties of the Franchise, 2) to restrain by injunction the actual or threatened commission or attempt of a breach or Default of the Franchise, and 3) an award of monetary damages resulting from such violation of the Franchise.

36. FRANCHISE REMEDIES FOR VIOLATION OF CONDITIONS

In addition to the judicial remedies available to the parties, each party shall be entitled to pursue the alternative remedies set out in this section. These remedies are cumulative with the judicial remedies and the exercise of one or more of these Franchise remedies shall not preclude a party from seeking appropriate judicial relief.

If either party fails to observe or perform any of the terms, conditions, obligations, restrictions, covenants, representations or warranties of the Franchise, including Exhibit B and the conditions set out in Ordinance 15643, or if the Grantee abandons the Franchise, and if such noncompliance is not cured as provided herein, then such noncompliance shall be considered an event of Default and the following shall apply:

- A. Opportunity to cure. Either party shall give the other party written notice of any Default, stating with reasonable specificity the events or circumstances and nature of the Default. The party receiving notice shall have thirty (30) days or such lesser or greater time as reasonably specified in the notice to cure the Default. If the party receiving notice fails to cure the Default or to promptly commence and diligently pursue a cure to the reasonable satisfaction of the party giving notice, then the party giving notice may invoke the alternative Franchise remedies set out in this section.

A public hearing shall be scheduled in the manner provided for applications for a Franchise under RCW 36.55.040; provided that, if exigent circumstances necessitate expedited revocation, the hearing may be held as soon as possible after the notice. The decision to revoke this Franchise will become effective ninety (90) days following the public hearing if the County, by ordinance, finds either:
 - 1. That the Grantee has not substantially cured the violation or failure to comply which was the basis of the notice; or
 - 2. That the violation or failure to comply which was the basis of the notice is incapable of cure; or

3. That the Grantee has repeatedly violated or failed to comply with any of the material terms, conditions, or responsibilities of the Franchise, even though the individual violations have been cured; and
4. That the revocation of the Franchise is in the public interest.

C. Suspension of Franchise. The Director may temporarily suspend this Franchise without a hearing whenever the continued work or operation by the Grantee would constitute a danger to public health, safety, welfare or public morals, including, but not limited where there is a failure to maintain the minimum levels and standards of liability insurance or claims reserve or failure to keep in full force and effect any applicable licenses, bonds, permits required by federal, state or local law or regulation, or the Member ratifications and guarantees required by Section 15(C). The notice of temporary suspension may be personally delivered to the party named and to the address given in Section 40 of this Franchise. The notice of temporary suspension shall also be given to the person doing work and posted at the work site. The notice shall indicate the nature of the violation or danger to the public. Notwithstanding other notice and opportunity to cure provisions of this Franchise, the temporary suspension is effective upon actual notice at the date and time provided in the notice. The Grantee may invoke the dispute resolution provisions of Section 38 and seek an opportunity to cure under Section 36 A., which shall not be unreasonably denied.

Grantor's failure to exercise a particular remedy at any time shall not waive Grantor's right to terminate, assess penalties, or assert that or any other remedy at law or equity for any future breach or Default of Grantee.

37. RECEIVERSHIP AND FORECLOSURE

Grantee shall immediately notify the Grantor in writing if it: files a voluntary petition in bankruptcy or a voluntary petition to effect a plan or other arrangement with creditors; files an answer admitting the jurisdiction of the Court and the material allegations of an involuntary petition filed pursuant to the Bankruptcy Code, as amended; or is adjudicated bankrupt, makes an assignment for the benefit of creditors, or applies for or consents to the appointment of any receiver or trustee of all or any part of its property including all or any parts of its business Operations or Facilities within or affecting the Franchise Area.

Upon the foreclosure or other judicial sale of all or a substantial part of Grantee's business Operations, pipeline(s) or Facilities within or affecting the Franchise Area, or Facilities within or affecting the Franchise Area, or upon the occasion of additional events which effectively cause termination of Grantee's rights or ability to Operate the Facilities within or affecting the Franchise Area, Grantee shall notify the Grantor of such

fact, and such notification or the occurrence of such terminating events shall be treated as a notification that a change in control of the Grantee has taken place, and the provisions of this Franchise Agreement governing the consent of the Grantor to such change in control of the Grantee shall apply.

The Grantor shall have the right to cancel this Franchise one hundred twenty (120) days after the appointment of a receiver or trustee to take over and conduct the business of a Grantee, whether in receivership, reorganization, bankruptcy, or other action or proceeding, unless such receivership or trusteeship shall have been vacated prior to the expiration of said one hundred twenty (120) days, or unless:

38. DISPUTE RESOLUTION AND RIGHT OF APPEAL

Decisions, requirements, or approvals of the Director are binding on the parties to this document. In the event of a dispute between Grantor and Grantee arising by reason of this Franchise, the dispute shall first be referred to the representatives designated by Grantor and Grantee to have oversight over the administration of this Franchise. The officers or representatives shall meet within a reasonable time not longer than thirty (30) calendar days of either party's request for a meeting, whichever request is first, and the parties shall make a good faith effort to achieve a resolution of the dispute.

If the parties are unable to resolve the dispute under the procedure set forth in this section, the parties hereby agree that the matter shall be referred to mediation. The parties shall mutually agree upon a mediator to assist them in resolving their differences. Any expenses incidental to mediation shall be borne equally by the parties.

If the parties fail to achieve a resolution of the dispute through mediation, either party may then pursue any available judicial remedies, provided that if the party seeking judicial redress does not substantially prevail in the judicial action, it shall pay the other party's reasonable legal fees and costs incurred in the judicial action.
