1 AN ORDINANCE authorizing the executive to enter into
2 interlocal agreement with the city of Kent relating to the
3 annexation of the Panther Lake Potential Annexation Area
4 and transferring local government services delivery to the
5 city, and declaring an emergency.

STATEMENT OF FACTS:

- 7 1. King County's Annexation Initiative encourages the expedited
8 annexation of all remaining urban unincorporated areas in order to achieve
9 both financial stability in the current expense fund, and the regional land
10 use vision in the countywide planning policies.
- 11 2. The city of Kent initiated the annexation process at the boundary
12 review board with the filing of a notice of intent to annex the
13 approximately twenty-four thousand residents of the Panther Lake
14 Potential Annexation Area.
- 15 3. The city then sought the approval of the residents of the Panther Lake
16 Potential Annexation Area to annex this area, by ballot proposition at the
17 2009 general election on November 3, 2009. The ballot measure was
18 approved by 56.40 percent of the vote. The city subsequently set a July 1,
19 2010 effective date.

20 4. To facilitate the transition of local government services delivery in the
21 Panther Lake Potential Annexation Area from the county to the city, the
22 city and county wish to enter into an interlocal agreement, substantially in
23 the form of Attachment A to this ordinance, which addresses transfer of
24 public records and transition of local government services delivery among
25 other matters.

26 5. In order to ensure that the services, which are the subject of this
27 ordinance and the rights and responsibilities regarding them, are
28 transferred to the city as of the effective date of the annexation, the
29 executive must be authorized to execute this agreement before July 1,
30 2010.

31 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

32 SECTION 1. The county executive is hereby authorized to enter into an interlocal
33 agreement, substantially in the form of Attachment A to this ordinance, with the city of

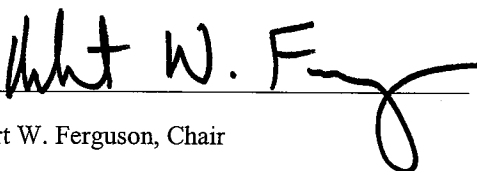

34 Kent to provide for the transition of local government services delivery as referenced
35 therein.

36 SECTION 2. For the reasons set forth in Section 1, the county council finds as a
37 fact and declares that an emergency exists and that this ordinance is necessary for the
38 immediate preservation of public peace, health or safety or for the support of county
39 government and its existing public institutions.

WHEREAS, it is the parties' intent by virtue of this Agreement that any and all discretionary decisions with respect to land use and permitting from and after the date of annexation shall be made by the City; and

WHEREAS, the governing bodies of each of the parties hereto have determined to enter into this Agreement as authorized and provided for by the Interlocal Cooperation Act, codified at Chapter 39.34 RCW, and other Washington law, as amended;

NOW THEREFORE, in consideration of the mutual terms, provisions and obligations contained herein, it is agreed by and between the City and the County as follows:

THIS AGREEMENT is made and entered into this day by and between the City of Kent, a municipal corporation in the State of Washington (hereinafter referred to as the "City") and King County, a home rule charter County in the State of Washington (hereinafter referred to as the "County").

WHEREAS, the City annexed an area of unincorporated King County described in Attachment 1 (hereinafter referred to as the "Annexation Area"); and

WHEREAS, all local governmental authority and jurisdiction with respect to the Annexation Area transfers from the County to the City upon the date of annexation; and

WHEREAS, the County and City agree that having County staff process various Annexation Area building permits and land use applications on behalf of the City for a transitional period will assist in an orderly transfer of authority and jurisdiction; and

WHEREAS, it is the parties' intent by virtue of this Agreement that any and all discretionary decisions shall be made by the City; and

WHEREAS, this Agreement is authorized by the Interlocal Cooperation Act, RCW Chapter 39.34;

NOW, THEREFORE, in consideration of the terms and provisions, it is agreed by and between the City and the County as follows:

3. Pre-annexation Building Permit Applications Filed with King County.

3.1 Except as otherwise provided for herein, the County shall continue to review on behalf of the City all vested building-related permit applications filed with the County before the effective date of annexation that involve property within the Annexation Area. For the purposes of this Agreement, building-related permits include but are not limited to building permits, and mechanical permits. Review by the County shall occur in accordance with the regulations to which the applications are vested. Any decision regarding whether or when an application has vested shall be made by the County.

3.2 Except as provided in Section 6 of this Agreement, the County's review of building-related permits shall include rendering decisions to approve, condition or deny such applications; conducting inspections; issuing correction notices, certificates of occupancy, permit extensions and completion of extensions; and evaluating compliance with approval conditions that extend beyond issuance of a certificate of occupancy. The County agrees to consult with the City prior to rendering any administratively appealable building-related permit decision. Appeals of building related permit decisions, if any, shall be processed by the County.

3.3 The County shall receive and process any permit applications made following annexation that implement conditions of a Commercial Site Development permit issued by the County prior to annexation. The City intends to process such requests as new permit applications.

Any decisions regarding whether or when an application vested shall be made by the City. The County shall transfer the fire permit application file to the City within a reasonable time period after the Annexation date, but no later than July 14, 2010. Fee reimbursement and allocation as between the City and County for files so transferred shall be made in accordance with sections 11.2. and 11.3.

Any decisions to approve, deny, or approve with conditions such applications shall be made by the City's designated decision maker and will be processed pursuant to the City's applicable land use review and appeal procedures. All final decisions on such vested land use applications shall be rendered by the City.

5.3 Notwithstanding any other provision of this Agreement, applications for any rezone and any associated permit applications shall be referred to the City for all further processing.

5.6 For those vested subdivision, short plat, and binding site plan applications that have received preliminary approval prior to annexation, the County shall continue its review through the point of making a recommendation to the City on whatever post-preliminary review phase the development is in at the time of annexation. For purposes of this section, post-preliminary review phases include: engineering plan approval, final plat, short plat or binding site plan approval, and construction inspection approval. All final decisions on any of the post-preliminary review phases shall be rendered by the City. The City shall assume review of the project for all subsequent post-preliminary review phases.

5.7 The County shall review and make recommendations to the City's designated decision maker on applications to vary adopted road or drainage standards that are made in conjunction with a land use application being reviewed by the County pursuant to this Agreement. All final decisions on such variance applications shall be rendered by the City.

5.8 For projects under construction at the time of annexation, the County shall review and render decisions on requests for changes to approved land use permit engineering plans through final construction approval. Following issuance of final construction approval, requests for changes to the approved set of plans shall be referred to the City.

The list shall include the status of projects as shown in the County Permits Plus system. The City or County may at any time exclude from this Agreement any application(s) on any such list upon providing to the County or City ten days advance written notice of its intent to exclude the application(s). 6.2 The County shall notify the City of all technical screening meetings, pre-construction conferences and engineering pre-submittal meetings for projects being reviewed by the County under this Agreement. Such notice shall be provided promptly upon scheduling of the meeting. The City may participate in these meetings to learn more about the project and to offer comments.

7. SEPA Compliance.

7.1. In order to satisfy the procedural requirements of SEPA, the City shall serve as lead agency for all Annexation Area building permit and land use applications, including those being processed by the County pursuant to this Agreement. 7.3. For those permit applications requiring a SEPA determination, the County will not take final action upon the application until the City's SEPA Responsible Official has acted. 9. Financial Guarantees. Any financial guarantee that is intended to secure compliance with project conditions that are being or will be reviewed by the City shall be turned over to or posted with the City, which shall have sole authority and discretion over its release and/or enforcement. Any financial guarantee that has been posted or is otherwise required in order to guarantee compliance with conditions that are being reviewed by the County pursuant to this Agreement shall be retained by or posted with the County. On behalf of the City, the County is authorized to accept such financial guarantees and to release them where it determines that conditions for release have been satisfied. In making such decisions whether to release a financial guarantee instrument, the County shall consult with the City. The City shall be solely responsible for making any demands or initiating any legal action to enforce financial guarantees for Annexation Area projects.

In order for any such extensions to occur, the City shall make a written request to the County not less than sixty (60) days prior to the otherwise applicable expiration date. Any agreement by the County to the proposed extension(s) shall be made in writing. If the parties have not agreed to the extension in writing by the otherwise applicable expiration date, the Agreement shall expire.

4. TRANSFER OF ROADS-RELATED PROPERTIES TO CITY:
 - a. Transfer of Road-Related Properties.

Upon the effective date of annexation, the County shall convey to the City by quitclaim deed, substantially in the form of **Exhibit B** attached hereto and incorporated herein by reference, the Road-Related Properties located in the Annexation Area and identified in **Exhibit C** attached hereto and incorporated herein by reference, subject to all rights, conditions, covenants, obligations, limitations and reservations of record; and the City shall accept the same. The City agrees to abide by and enforce all rights, conditions, covenants, obligations, limitations and reservations for the Road Related Properties. The City covenants that the properties described in Exhibit C shall continue to be used and

maintained in perpetuity for road-related purposes unless other equivalent lands within the City are received in exchange therefore; or if the Property is sold or traded for land not for an equivalent use, the City shall pay the County the tax assessed value of the property as of the date the property is transferred to the City under this Agreement.

- b. Condition of and Responsibility for Operations, Maintenance, Repairs, and Improvements of Road-Related Properties.
 - i. The City will have the opportunity to inspect the Road-Related Properties before accepting ownership. However, regardless of such inspection, the City has the duty to accept all facilities as specified in this Agreement. The City's inspection shall not, however, constitute a waiver of any indemnification required by the County for negligent acts or omissions of the County, its officers, agents, and employees, or any of them, during the period of County ownership. The County will make its records concerning the Road-Related Properties available to the City, and the County personnel most knowledgeable about the Road-Related Properties will be available to jointly inspect the property with City personnel and to provide the City the status of maintenance of such facilities, and to point out known conditions, including any defects or problems, if any, with the Road-Related Properties. The City agrees to accept the Road-Related Properties in AS IS condition, and to assume full and complete responsibility for all operations, maintenance, repairs, and improvements of the Related Properties during the period of City ownership.
 - ii. King County does not make and specifically disclaims any warranties, express or implied, including any warranty of merchantability or fitness for a particular purpose, with respect to the Road-Related Properties, and no official, employee, representative, or agent of King County is authorized otherwise.

 - i. "Hazardous Materials" as used herein shall mean any hazardous, dangerous or toxic wastes, materials, or substances as defined in state or federal statutes or regulations as currently adopted or hereafter amended.
 - ii. Nothing in this Agreement shall be deemed to waive any statutory claim for contribution that the City might have against the County under federal or state environmental statutes that arises from hazardous materials deposited or released on the Road-Related Properties by the County during the County's period of ownership. The City may not, however, assert such a claim to the extent that the City creates the need for or exacerbates the cost of remediation upon which a statutory claim for contribution is based as a result of the City performing construction activities on, changing the configuration of, or changing the use of the Road-Related Properties.
 - iii. If the City discovers the presence of hazardous materials at levels that could give rise to a statutory claim for contribution against the County it shall notify the County in writing within ninety (90) days of discovery. The Parties shall make

their best efforts to reach agreement as to which party is responsible for remediation under the terms of this Agreement prior to undertaking any remediation.

- iv. In no event shall the County be responsible for any costs of remediation that exceed the minimum necessary to satisfy the state or federal agency with jurisdiction over the remediation.

d. Indemnification and liability related to Road-Related Properties.

(i) The County shall indemnify and hold harmless the City and its officers, agents and employees, or any of them from any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by reason or arising out of any negligent action or omission of the County, its officers, agents, and employees, or any of them, during the County's period of ownership. In the event that any suit based upon such a claim, action, loss, or damage is brought against the City, the County shall defend the same at its sole cost and expense, provided that the City retains the right to participate in said suit if any principal of governmental or public law is involved. If final judgment be rendered against the City and its officers, agents, and employees, or any of them, or jointly against the City and County and their respective officers, agents, and employees, or any of them, the County shall satisfy the same.

(iii) Each party agrees that its obligations under this Section 4.d extend to any claim, demand, and/or cause of action brought by or on behalf of any employees, or agents. For this purpose, each party, by mutual negotiation, hereby waives, with respect to the other party only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW, but only to the extent necessary to indemnify the other party.

The County will make its records concerning the Greenbelt Properties available to the City, and the County personnel most knowledgeable about the Greenbelt Properties will be available to jointly inspect the Greenbelt Properties with City personnel and to provide the City the status of maintenance of such properties, point out known conditions, including any defects or problems, if any, with the Greenbelt Properties. Intergovernmental Land Transfer Agreement Between King County and the City of Kent

Relating to the Ownership, Operation and Maintenance of Parks,
Open Space, Recreation Facilities and Programs

THIS AGREEMENT is made and entered by and between the City of Kent, a State of Washington municipal corporation ("City"), and King County, a political subdivision of the State of Washington ("County"). Together, the City and the County are referred to as the "Parties" to this Agreement.

WHEREAS, the City has identified the Panther Lake Potential Annexation Area ("PAA") in its comprehensive plan, consistent with the requirements of the state Growth Management Act ("GMA") and the Countywide Planning Policies adopted consistent with GMA. The PAA is hereinafter referred to as the "Annexation Area;" and

WHEREAS, on an election date in November 2009, the citizens of the Annexation Area had an opportunity to vote on whether to annex to the City, and the voters approved annexation of the Annexation Area; and

WHEREAS, annexation of the Annexation Area to the City will become effective on or before July 1, 2010; and

WHEREAS, the City and the County desire to facilitate an orderly transition of services associated with the Annexation Area; and

WHEREAS, the governing bodies of each of the Parties hereto have determined to enter into this Agreement as authorized and provided for by the Interlocal Cooperation Act, codified at Chapter 39.34 RCW, and other Washington law, as amended;

NOW THEREFORE, in consideration of the mutual terms, provisions and obligations contained herein, it is agreed by and between the City and the County as follows:

1. Conveyance of Title

- 1.1. Timely following execution of this Agreement, King County shall convey to the City by deed all its ownership interest in the following listed park/recreation sites, which are described more fully in Exhibits E-1 and E-2 (the "Property"):

Park Orchard Park
Green Tree Park
Green Tree Park Tract A – Open Space
North Meridian Park

- 1.2 The deeds shall also contain the following specific covenants pertaining to use, which covenants shall run with the land for the benefit of the County and the County land that makes up its public park, recreation and open space system. The County and the City agree that the County shall have standing to enforce these covenants, which shall be set forth as follows:

All deeds shall contain the following covenants:

"The City covenants that the Property shall continue to be used in perpetuity for park or recreation purposes unless other equivalent lands or facilities within the county or the city are received in exchange therefore and the replacement lands or facilities are used in perpetuity for park or recreation purposes."

"The City further covenants that it will not limit or restrict access to and use of the Property by non-city residents in any way that does not also apply to City residents. The City covenants that if differential fees for non-City residents are imposed, they will be reasonably related to the cost borne by City taxpayers to maintain, improve or operate the Property for parks and recreation purposes."

The deed for Park Orchard Park shall also contain the following covenants:

"The City covenants that it shall abide by and enforce all terms, conditions and restrictions in King County Resolution 34571, including that the City covenants that the Property will continue to be used for the purposes contemplated by Resolution 34571, that the Property shall not be transferred or conveyed except by agreement providing that such lands shall continue to be used for the purposes contemplated by Resolution 34571, and that the Property shall not be converted to a different use unless other equivalent lands and facilities within the County or City shall be received in exchange therefore."

"The City covenants that it shall not use the Property in a manner that would cause the interest on County bonds related to the Property to no longer be exempt from federal income taxation."

All deeds shall also contain the following covenant:

"The City covenants that it shall place the preceding covenants in any deed transferring the Property or a portion of the Property for public park, recreation or open space uses."

- 1.3 The County shall also convey to the City all of the County's right, title and interest in certain personal property and appurtenances ("the Personal Property") associated with the Property, including but not limited to structures, fencing, irrigation and asphalt as identified in Exhibit E-3. The City agrees to accept the Personal Property in AS IS condition, and to assume full and complete responsibility for the Personal Property. King County does not make and specifically disclaims any warranties, express or

implied, including any warranty of merchantability or fitness for a particular purpose, with respect to the Personal Property, and no official, employee, representative or agent of King County is authorized otherwise. The City acknowledges and agrees that the County shall have no liability for, and that the City shall release, hold harmless, and indemnify the County, and shall have no recourse against the County for, any defect or deficiency of any kind whatsoever in the Personal Property, without regard to whether such defect or deficiency was known to or discoverable by the City or the County.

2. Existing Restrictions, Agreements, Contracts or Permits

2.1 The City shall abide by and enforce all terms, conditions, reservations, restrictions and covenants of title at the time of conveyance and/or in the deed of conveyance.

3. Condition of Premises and Responsibility for Operations, Maintenance, Repairs, Improvements, and Recreation Services

3.1 The City has inspected and knows the condition of the Property and agrees to accept the Property in AS IS condition, and to assume full and complete responsibility for all operations, maintenance, repairs, improvements of, and provision of recreational services at, the Property.

3.2 King County does not make and specifically disclaims any warranties, express or implied, including any warranty of merchantability or fitness for a particular purpose, with respect to the Property, and no official, employee, representative or agent of King County is authorized otherwise.

3.3 The City acknowledges and agrees that, except as indicated in paragraphs 4.2 and 5.1 of this Agreement, the County shall have no liability for, and that the City shall hold harmless, indemnify and release and have no recourse against the County for, any defect or deficiency of any kind whatsoever in the Property, without regard to whether such defect or deficiency was known or discoverable by the City or the County.

4. Environmental Liability

4.1 "Hazardous Materials" as used herein shall mean any hazardous, dangerous or toxic wastes, materials, or substances as defined in state or federal statutes or regulations as currently adopted or hereafter amended.

4.2 Nothing in this Agreement shall be deemed to waive any statutory claim for contribution that the City might have against the County under federal or state environmental statutes that arises from hazardous materials deposited or released on the Property by the County during the County's period of ownership. The City may not, however, assert such a claim to the extent that the City creates the need for or exacerbates the cost of remediation upon which a statutory claim for contribution is based, as a result of the City performing construction activities on the Property, changing the configuration of the Property, or changing the use of the Property.

- 4.3 If the City discovers the presence of hazardous materials at levels that could give rise to a statutory claim for contribution against the County it shall notify the County in writing. Such notice shall in no event be provided more than 90 days after discovery. The Parties shall make their best efforts to reach agreement as to which party is responsible for remediation under the terms of this Agreement prior to undertaking any remediation.
- 4.4 In no event shall the County be responsible for any costs of remediation that exceed the minimum necessary to satisfy the state or federal agency with jurisdiction over the remediation.

5. Indemnification and Hold Harmless

- 5.1 King County shall indemnify and hold harmless the City and its elected officials, officers, agents or employees, or any of them, from and against any and all claims, actions, suits, liability, loss, costs, expenses and damages of any nature whatsoever, (i) which are caused by or result from a negligent action or omission of King County, its officers, agents and employees in performing its obligations pursuant to this Agreement, and/or (ii) arising from those occurrences related to the Property that occurred prior to the effective date of conveyance of the Property to the City, except to the extent that indemnifying or holding the City harmless would be limited by Article 4 of this Agreement. In the event that any suit based upon such a claim, action, loss or damage is brought against the City or the City and King County, King County shall defend the same at its sole cost and expense and, if final judgment be rendered against the City and its elected officials, officers, agents and employees, or jointly against the City and King County and their respective elected officials, officers, agents and employees, then King County shall satisfy the same.
- 5.2 In executing this Agreement, the County does not assume liability or responsibility for or in any way release the City from any liability or responsibility which arises in whole or in part from the existence or effect of City ordinances, rules or regulations. If any cause, claim, suit, action or administrative proceeding is commenced in which the enforceability and/or validity of any such City ordinance, rule or regulation is at issue, the City shall defend the same at its sole expense and if judgment is entered or damages are awarded against the City, the County or both, the City shall satisfy the same, including all chargeable costs and attorney's fees.
- 5.3 The City shall indemnify and hold harmless King County and its elected officials, officers, agents and employees, or any of them, from and against any and all claims, actions, suits, liability, loss, costs, expenses and damages of any nature whatsoever, (i) which are caused by or result from a negligent act or omission of the City, its officers, agents and employees in performing obligations pursuant to this Agreement, and/or (ii) arising from those occurrences related to the Property that occurred on or after the effective date of conveyance of the Property to the City, except to the extent that indemnifying or holding the County harmless would be limited by Article 4 of this
