1 AN ORDINANCE modifying the establishment, powers

6 PREAMBLE:

7 In order to more effectively prepare for, respond to and recover from the
8 effects of both natural and technological emergencies in our region, and in
9 keeping with changes in state and federal regulation, King County

11 Since that time, the experience gathered by the King County office of
12 emergency management and its partnering jurisdictions through disasters,
13 emergencies and joint exercises has revealed the importance of a uniform
14 and rational approach to the regional coordination of emergency planning,
15 response and recovery efforts.
