SUMMARY OF RECOMMENDATIONS:

| | |
|------------------------------|---|
| Department's Recommendation: | Approve 52.00 acres for 30% of market value |
| Examiner's Recommendation: | Approve 52.00 acres for 30% of market value |

PRELIMINARY REPORT:

On March 10, 2017, the Department of Natural Resources and Parks (DNRP) submitted its report on file no. E16CT044 to the Examiner.

PUBLIC HEARING:

After reviewing the preliminary report and examining available information on file with the application, the Examiner conducted a public hearing on the application on March 23, 2017, in the Ginger Conference Room, 12th Floor, King County Courthouse, 516 Third Avenue, Seattle, Washington. The Examiner received the affidavit of notice publication on March 17, 2017.

Participants at the public hearing and the exhibits offered and entered are listed in the attached minutes. A verbatim recording of the hearing is available in the Hearing Examiner's Office.

FINDINGS AND CONCLUSIONS:

1. General Information:

Owners: See applicants listed above

Location: 5601, 5810, 5526, 5820, 5830, 5817, and 5706 302nd Avenue NE, Carnation

STR: NE 17-25-7

Zoning: RA-5 and RA-10

Parcel nos.: 1725079024, 1725079001, 1725079002, 1725079056, 1725079023, 1725079022, 1725079020

Total acreage: 69.56 acres

2. The Applicants timely filed an application to King County for PBRs program current use valuation of the property to begin in 2018. As required by law, notification of the application occurred.

3. A summary of relevant PBRs categories follows below. (Plain text represents a category an applicant requested an award for and that DNRP agrees is warranted. Any ~~striketrough~~ represents a category an applicant requested an award for but that DNRP disagrees is warranted. Any *italics* represents a category an applicant did not request an award for, but that DNRP nonetheless concludes is warranted. And any **asterisk** represents a category where DNRP finds an award is warranted, but only if certain contingencies or conditions are met.)

| | | |
|------------------|--|----------|
| PBRs categories: | <u>Open Space Resources</u> | |
| | *Forest stewardship land* | |
| | Rural open space | 5 |
| | Significant wildlife or salmonid habitat | 5 |
| | Surface water quality buffer | |
| | Watershed protection area | 5 |
| | <u>Bonus category</u> | |
| | Additional surface water quality buffer | |
| | Contiguous parcels under separate ownership | 10 |
| | | <hr/> 25 |

The DNRP-recommended score of 25 points results in a current use valuation of 20% of market value for the enrolled portion of the property. Additional credit may be awarded administratively under the forest stewardship land category subject to submittal of a forest stewardship plan by **August 1, 2017**, and subsequent approval by **October 2, 2017**. Award of credit under this category will increase the point total by 5 points, and may allow approved forestry activities to occur on the property, but it will not directly impact the current use valuation for the enrolled portion of the property.

4. As to the land area recommended for PBRS enrollment, the Applicants requested 54.58 acres and DNRP recommends 52.00 acres. (Enrollment acreage is the entire parcel less the excluded area, as calculated by DNRP. In the event the County Assessor's official parcel size is revised, the PBRS acreage shall be administratively adjusted to reflect that change.)
5. Except as modified herein, the facts set forth in DNRP's preliminary report and testimony at the March 23, 2017, public hearing are correct and incorporated herein by reference. Copies of this report and DNRP's report will be provided to the Metropolitan King County Council for final approval.
 - A. Change to Department staff report: on the first page of the report, A. General Information, Owners, Walter Young, address should read 5526 302nd Avenue NE.
6. Approval, pursuant to the Public Benefit Rating System adopted by Chapter 20.36 KCC, of 25 points and a current use valuation of 20% of market value for 52.00 acres of the property and conditional approval of 5 additional points (with no change to the acreage or market valuation), is consistent with the purposes and intent of King County to maintain, preserve, conserve, and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.
7. Parcel no. 1725079020 is currently enrolled in the PBRS program. Any open space taxation participation agreement signed as a result of approval of this application should be worded to supersede any prior agreement for the parcel.

RECOMMENDATION:

1. APPROVE current use valuation of 20% of market value for the 52.00-acre enrolled portion of the property.
2. CONDITIONALLY APPROVE additional credit under the forest stewardship land category subject to submittal of a forest stewardship plan by **August 1, 2017**, and subsequent approval by **October 2, 2017**. Award of credit under this category will increase the point total by 5 points, and may allow approved forestry activities to occur on the property, but it will not directly impact the current use valuation for the enrolled portion of the property.
