Sponsors Gossett

1 AN ORDINANCE relating to assigning emergency
2 management responsibilities to the director of the office of
3 emergency management; and amending Ordinance 12075,
4 Section 15, as amended, and K.C.C. 2.56.030.

5 PREAMBLE

6 The King County office of emergency management is dedicated to
7 providing leadership and high-quality services that improve the safety of
8 the public in King County. The office specializes in disaster mitigation,
9 preparedness, response, and recovery. RCW 38.52.070 directs local
10 governments to establish an emergency management program and to
11 assign emergency management responsibilities to a specific person. In
12 King County, those duties are currently assigned to the county
13 administrative officer, who has a broad and varied portfolio of
14 responsibilities. In order to ensure that the all emergency management
15 plans, procedures and operations are conducted in as efficient a manner as
16 possible, especially during times of crisis, the council finds it essential that
17 this responsibility be designated within King County government to an
18 official primarily devoted to a consistently high level of attention to
19 emergency management issues.

20 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

21 SECTION 1. Ordinance 12075, Section 15, as amended, and K.C.C. 2.56.030 are
22 each hereby amended to read as follows:

24 management, the operation of which shall be the responsibility of the director of the
25 ~~((department of executive services))~~ office of emergency management. The mission of
