Ordinance 18933

Proposed No. 2018-0007.2

Sponsors McDermott

1 AN ORDINANCE authorizing the vacation of a portion of
2 156th Avenue SE and SE 300th Street, Kent, file no. V-
3 2700; Petitioners Robert and Valerie Wyman.

4 STATEMENT OF FACTS:

5 1. A petition was filed requesting vacation of a portion of 156th Avenue
6 SE and SE 300th Street, Kent, hereinafter described.

7 2. The department of transportation notified utility companies serving the
8 area and King County departments of the proposed vacation and has been
9 advised that no utilities require easements over the vacation area. The
10 vacation will not extinguish the rights of any utility company to any
11 exiting easements for facilities or equipment within the vacation area.

12 3. The department of transportation records indicates that King County
13 has not expended public funds for the acquisition or maintenance of the
14 subject portions of 156th Avenue SE and SE 300th Street right-of-way.

15 4. The department of transportation considers the subject portion of right
16 of way useless as part of the county road system, believes the public
17 would benefit from vacation, and recommends waiving all monetary
18 compensation from the petitioners.

19 5. Due notice was given in the manner provided by law. The hearing

20 examiner held the public hearing on April 30, 2019. As detailed in his
21 May 15, 2019, recommendation, the examiner concluded that the road
22 segment subject to this petition is not useful as part of the King County
23 road system, that the public will benefit from its vacation, and that \$1,921
24 is the appropriate amount of compensation due from the petitioners.

25 6. For the reasons stated in the examiner's recommendation, the council
26 determines that it is in the best interest of the citizens of King County to
27 grant said petition, provided that petitioners pay to King County \$1,921 in
28 compensation.

29 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

30 SECTION 1. The council vacates and abandons a portion 156th Avenue SE and
31 SE 300th Street Road right-of-way as described below:

32 All those portions of the 156th Avenue SE and SE 300th Street rights-of-
33 way, as dedicated to King County in the Plat of Soos Creek Five Acre
34 Tracts, recorded in Volume 13, of Plats, on Page 59, records of King
35 County, Washington, located in the Northwest quarter of the Southeast
36 quarter of Section 2, Township 21 North, Range 5 East, Willamette
37 Meridian, King County Washington and lying southerly and westerly of
38 the B.N.R.R. right-of-way.

39 Situate in the County of King and State of Washington.

40 Containing approximately 26,362 square feet, more or less.

41 SECTION 2. Vacation is contingent on petitioners paying \$1,921 to King
42 County, within ninety days of the date the council takes final action. If King County does

43 not receive the \$1,921 by that date, there is no vacation and the right-of-way remains
44 King County's.

SUMMARY OF RECOMMENDATIONS:

Department's Preliminary Recommendation:
Examiner's Recommendation:

Approve vacation, waive all compensation
Approve vacation, conditioned on
receiving \$1,921 in compensation

FINDINGS AND CONCLUSIONS:

1. This matter involves Robert and Valerie Wymans’ petition to vacate 26,362 square feet of public right-of-way on a portion of 156th Avenue SE and SE 300th Street, Kent. After hearing witness testimony and observing demeanor, studying the exhibits entered into evidence, and considering the parties’ arguments and the relevant law, we recommend that Council vacate the right-of-way upon payment of \$1,921 of compensation.
2. This recommendation is one of three road vacation reports we are sending up today. The substantive analysis for how we approach the initial valuation of rights-of-way and adjustments to that valuation is contained in our companion recommendation in V-2692.¹ We incorporate that analysis by reference. This document addresses only Wyman-specific information.
3. We held an initial, truncated hearing in March 2018. That hearing showed that vacation is appropriate. The right-of-way “is useless as part of the county road system and...the public will be benefitted by its vacation and abandonment.” RCW 36.87.020. Never improved as a road, it does not provide access to any property. Vacation would have no adverse effect on the provision of access and fire and emergency services to the abutting properties and surrounding area. The right-of-way is not necessary for the present or future public road system for travel or utilities purposes.
4. The sticking point was compensation. The Department of Local Services, Roads Services Division (Roads) asserted that all compensation should be waived. As Roads could not come up with a comprehensive methodology for calculating the downward adjustments RCW 36.87.120 allowed, we stayed this case, along with all other pending vacation petitions, to allow the Office of Performance, Strategy and Budget (PSB) to create a quantitative model.
5. After PSB developed the model and presented it in January 2019, we held a prehearing conference, and then set a re-hearing. PSB calculated that the value of adding the right-of-way to the Wymans’ parcel was \$4,000. From this, PSB subtracted \$79 as the present value of anticipated, property tax revenue the County would receive, and subtracted another \$2,000 for unopened right-of-way maintenance and management costs. This results in compensation of \$1,921. Ex. 26.
6. We held a brief and uneventful hearing on April 30. The Wymans are eager to proceed with vacation. We see no reason why they should need to wait any longer.

RECOMMENDATION:

APPROVE proposed ordinance no. 2018-0007 to vacate the subject road right-of-way, provided that within 90 days of the date Council takes final action, the Wymans pay to King County

\$1,921, or other such amount of compensation Council shall determine. If King County does not receive the required compensation by the specified date, there is no vacation and the right-of-way remains King County's.
