### Ordinance 19198

**Proposed No.** 2020-0318.2

**Sponsors** Kohl-Welles

1                   AN ORDINANCE relating to solid waste financing of  
 2                   projects in the landfill reserve fund; and amending  
 3                   Ordinance 12076, Section 13, as amended, and  
 4                   K.C.C.4A.200.390.

5                   **STATEMENT OF FACTS:**

- 6                   1. The solid waste division of the department of natural resources and  
 7                   parks provides essential public services that protect human health, the  
 8                   environment and the quality of life in our region.
- 9                   2. The solid waste division operates the Cedar Hills regional landfill,  
 10                  eight transfer stations and two drop boxes. It also provides innovative  
 11                  programs to help customers prevent and recycle waste.
- 12                  3. Until now, projects in the landfill reserve fund were paid for entirely  
 13                  using cash proceeds, which created large variations in the amount of cash  
 14                  required to adequately maintain and develop Cedar Hills Regional  
 15                  Landfill.
- 16                  4. Using bond proceeds, as well as cash, to finance projects in the Landfill  
 17                  Reserve Fund will smooth the effect those projects have on the rate while  
 18                  supporting financial practices consistent with the King County  
 19                  Comprehensive Financial Management Policies.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, Carahsoft OBO King County ITD (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
