1 AN ORDINANCE relating to the King County children
2 and youth advisory board; and amending Ordinance 18217,
3 Section 2, as amended, and K.C.C. 2A.300.510.

4 **STATEMENT OF FACTS:**

5 1. In April 2015, the metropolitan King County council approved Motion
6 14378, adopting the Youth Action Plan. The Youth Action Plan
7 recommended that King County create an advisory board to support the
8 county's system wide accountability for serving children and families and
9 youth and young adults. The task force recommended this be "an
10 inclusive body comprised of a wide array of citizens, stakeholders, and
11 entities that can draw upon experience, knowledge and information to
12 assist King County policymakers as they consider outcomes, policies, and
13 investments for children and families and youth and young adults."

14 2. In July 2015, Ordinance 18088 submitted to the voters of King County
15 a proposition known as "best starts for kids levy," authorizing a regular
16 property tax levy in excess of the levy limitation for six consecutive years,
17 commencing in 2016, for the purpose of funding prevention and early
18 intervention strategies to improve the health and well-being of children,
19 youth and their communities. The youth action plan task force members
20 helped shape the first best starts for kids levy proposition.

Ordinance 19397

21 3. Ordinance 18088 also directed the executive to transmit to the council a
22 plan relating to an oversight and advisory board for the portion of the best
23 starts for kids levy proceeds related to children and youth strategies and a
24 proposed ordinance identifying the duties and composition of the
25 oversight and advisory board. Ordinance 18088 required that the
26 oversight and advisory plan be consistent with the recommendations in the
27 county's youth action plan.

28 4. In January 2016, the county enacted Ordinance 18217 establishing the
29 King County children and youth advisory board; and adding a new chapter
30 to K.C.C. Title 2A.

31 5. In July 2020, council adopted Motion 15673 accepting the Puget Sound
32 Taxpayer Accountability Account ("PSTAA") implementation plan.
33 PSTAA directs transit-related revenue to educational services to improve
34 outcomes in early learning, K-12, and post-secondary education. The
35 PSTAA implementation plan designated the children and youth advisory
36 board to establish and maintain the PSTAA advisory committee.

37 6. In April 2021, Ordinance 19267 submitted to the voters of King
38 County a proposition to renew the best starts for kids levy, providing for
39 resident oversight and authorizing a property tax levy in excess of the levy
40 limitation contained in chapter 84.55 RCW for a six-year consecutive
41 period, commencing in 2022, at a rate of not more than \$0.19 per one
42 thousand dollars of assessed valuation in the first year, and limiting annual
43 levy increases to three percent in the five succeeding years, all for the

Ordinance 19397

44 purpose of funding prevention and early intervention strategies and a
45 capital grants program to improve the health and well-being of children,
46 youth and their communities.

47 7. In July 2021 as directed by Ordinance 19267, the Executive developed
48 and transmitted the Best Starts for Kids implementation plan for 2022-
49 2027 in consultation with the King County children and youth advisory
50 board.

51 8. Ordinance 19267 also directs the executive, by October 1, 2021, to
52 transmit to the council for consideration and adoption by ordinance a best
53 starts for kids governance update report that describes and explains
54 necessary and recommended changes to sections of the King County Code
55 and applicable ordinances that describe the composition and duties of the
56 King County children and youth advisory board.

57 9. Research shows inclusion of lived experience perspectives on boards
58 increases the efficacy of policy development, strategic planning,
59 implementation of programs, evaluation and the development of
60 innovative approaches that reach communities and effectively meet their
61 needs.

62 10. Stipends serve to provide incentive for youth participation on boards,
63 while recognizing their expertise, and helping with living expenses as they
64 engage in board activities.
