**Proposed No.** 2022-0298.2

1           AN ORDINANCE determining the Coalfield Park and  
 2           Recreation Service Area is inactive under state law and it is  
 3           in the public interest to dissolve the Coalfield Park and  
 4           Recreation Service Area.

5           BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

6           SECTION 1. Findings:

7           A. Under RCW 36.96.020, once a county legislative authority has been informed  
 8           that a special purpose district appears to be inactive, that legislative authority is required  
 9           to hold public hearings and determine whether or not that special purpose district is  
 10          "inactive." After a finding of inactivity, the legislative authority may then also determine  
 11          whether it is in the public interest to dissolve such an inactive special purpose district.

12          B. In accordance with RCW 36.96.020, the director of the department of  
 13          elections provided written notice to the King County council on June 21, 2022, of  
 14          apparent inactive special purpose districts located in the county. According to the  
 15          department of elections, it has no records showing the Coalfield Park and Recreation  
 16          Service Area ("the district") has held any election for commissioners or held any funding  
 17          measures for at least the last seven years, including bonds or levies. The department of  
 18          elections concluded that the district appears to be "inactive" under RCW 36.96.010(3).

Ordinance 19486

---

19 C. In accordance with state law, the King County treasurer acts as the treasurer  
20 for parks and recreation districts created within the county. The treasurer has confirmed  
21 that it holds no moneys in the name of the district.

22 D. In accordance with RCW 36.96.030, a public hearing on whether the district is  
23 "inactive" under chapter 36.96 RCW and whether it is in the public interest to dissolve  
24 the district was held on August 23, 2022. Notice of the hearing was provided in  
25 accordance with RCW 36.96.030. In addition, notice of the hearing was mailed to each  
26 active voter household in the district on July 29, 2022.

27 E. The council finds that the district has not carried out any of the special  
28 purposes or functions for which it was formed within the preceding consecutive five-year  
29 period, and no process has been initiated for the purpose of electing a member of the  
30 governing body within the preceding consecutive seven-year period. Therefore, it meets  
31 the criteria for being "inactive" under RCW 36.96.010(3).

32 F. In accordance with RCW 36.96.040, the council finds that the dissolution of  
33 the district is in the public interest since the district is defunct and does not provide the  
34 public function for which it was formed. The district's dissolution would reduce  
35 administrative burdens imposed on King County in providing monitoring and financial  
36 oversight services and reduce costs to taxpayers resulting from those administrative  
37 burdens.

38 SECTION 2. The Coalfield Park and Recreation Service Area is dissolved in  
39 accordance with RCW 36.96.040.

40 SECTION 3. In accordance with RCW 36.96.040, the Coalfield Park and

Ordinance 19486

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, Carahsoft OBO King County ITD (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
