3. Nothing in this Agreement shall require or permit, without the consent of the Client, access to or disclosure of any confidential communication made by a Client to any attorney employed by the County or any such confidential communications made to agents or employees of the County for such attorney; the advice given by an attorney to a Client; or any other statements and materials privileged from disclosure in a court of law. The Court will be responsible for the costs and operation of the screening process. Should the County determine that a defendant is not eligible for assigned counsel, subject to the Rules of Professional Conduct, the County will so inform the Court.

C. Conflicts: The County reserves the right to decline to advise or represent any Client on the basis of an actual legal, ethical, or professional conflict of interest, following application of the County's internal Case Assignment process and exhaustion of opportunity for County-assigned representation. The County shall be responsible for checking for conflicts and identifying if a conflict exists. The County shall have a written policy which explains how they define conflict Cases which they will provide to the City Agreement Administrator. The County shall perform a conflicts check before any substantial work is done on the Case. No payment shall be made to the County for work done on Cases which are subsequently identified as conflicts with the exception of Cases in which (after work has been performed) the Client obtains a new attorney at his own expense or through a request to the Court; and Cases involving other extraordinary circumstances for which payment is approved by the City including, but not limited to, Cases in which the conflict is based on information or evidence which defense counsel could not have reasonably known or discovered at the time of the initial conflicts check.

5. Accept all Case Assignments and represent all Clients assigned by the Court in accordance with Section 3.A.
 - a. KC-DPD will make Provisional Case Assignments directly to KC-DPD divisions. If KC-DPD determines that there is a conflict with all the KC-DPD divisions, the Director of Assigned Counsel, or his/her designee, will refer the Case to a private attorney who shall provide legal representation at the sole cost of the City as provided in Section 6.E.13 herein (CAP attorney).
 - b. If the Case is declined due to a conflict of interest and sent on for assignment to the next division or to a CAP attorney, the division will not be deemed to have been "assigned" the Case. The Case shall not be reported in open Case reports or closed Case reports. The division shall not be obligated to contact the defendant.
6. In the event this Agreement is terminated or not renewed, complete the representation of all Clients who have been referred by the Court during the period in which the Agreement is in effect for the compensation received or receivable under the terms of the Agreement, (unless completed representation is made impossible because of a Client's failure to appear) as per Section 12.D;

10. Staff the Out-of-custody intake (arraignment) calendars including DUI and Domestic Violence arraignments for all otherwise unrepresented defendants who appear; and
11. Staff the Seattle Mental Health Court (MHC) calendar.
 - a. The MHC model uses an individualized, defendant-based, long-term, problem-solving approach in which the assigned public defender remains the Attorney of Record for so long as the defendant participates in MHC. This commitment includes keeping abreast of the defendant's participation in and compliance with the MHC Conditions of Release or Sentence, appearing with the defendant at scheduled reviews or other hearings, and being assigned to the defendant for any new Cases in the MHC filed with SMC.
 - b. The County and the attorneys assigned to MHC shall embrace the MHC goals, philosophy and principles, including working collaboratively with the MHC team, provided that such collaborative approach is not in conflict with counsel's duties under the Rules of Professional Conduct, confidentiality and undivided loyalty, and the constitutions of the United States and Washington State.
 - c. The County, to the extent practicable, shall assign specific attorneys who are

Ordinance 19574

experienced in working with mentally ill misdemeanants to the MHC for a period of two (2) years to assure consistency of experienced staff. 12. Staff the Seattle Veterans Treatment Court (VTC) calendar. The VTC is a voluntary court monitored long-term therapeutic treatment program that addresses the mental health and/or substance abuse issues of the veteran defendant. SMC VTC is a collaboration between SMC, the Seattle City Attorney's Office, King County Department of Public Defense, the Washington State Department of Veterans Affairs, and the U.S. Department of Veterans Affairs. The combination of structured support provided by the court, and health care and other social service resources provided by the Federal and State Departments of Veterans Affairs (VA), is a path to reduce recidivism and increase veterans accessing needed services from the VA and community-based providers.
 13. Under the direction and oversight of the Court, manage the Conflict Attorney Panel (CAP) for conflict Cases. The County will make the referral to private counsel when the County divisions have a conflict. The County will assign such cases to a member of its conflict panel and will pay such attorneys at the same rate, as periodically amended, that the County pays for representation on District Court misdemeanor cases.
 14. To the extent resources permit, participate on any City criminal justice committee or workgroups as requested by the City Agreement Administrator, the Court or any other City criminal justice agency.
- E. Duties and Responsibilities of KC-DPD Attorneys: In order to perform their duties under this Agreement, KC-DPD attorneys of the County shall:
1. Counsel and represent in all ensuing criminal proceedings, those Clients who are officially referred by the Court. Such services include but are not limited to: preparation for and representation of the Client at the pretrial hearings, trial, sentencing, and review hearings. KC-DPD attorneys or other staff will make efforts to call or e-mail out-of-custody Clients to remind them of upcoming court dates.
 2. Use City funding to represent Clients in criminal matters in SMC and related infractions, writs, and RALJ appeals. KC-DPD will notify the SMC Chief Clerk of attorney reassignments and will work to provide a smooth attorney transition.
5. In-Custody Defendants: A member of the KC-DPD staff shall visit any assigned in-custody criminal defendant and obtain basic contact and other fundamental intake information for a bond hearing within one (1) Working Day of the County's acceptance of the Case Assignment and the in-custody status of the Client. 6. Out-of-Custody Defendants: The County shall send out-of-custody Clients an assignment letter notifying them of their assigned attorney upon assignment of the Case. The KC-DPD

Ordinance 19574

attorney of record or a temporarily assigned attorney for the Client shall make an initial contact through an in-person meeting or phone call with out-of-custody assigned Clients within five (5) Working Days from a Case Assignment and meet them in person no later than the day prior to the first pretrial hearing. If the County is unable to locate the Client, or the Client is unwilling to meet, the County may meet the requirements of this subsection through the assignment letter or phone calls. These contacts may occur before the Case is assigned by SMC and all documentation of compliance with this subsection shall be noted in the Client Case file.

7. Post-Adjudicated Cases: Attorney contact prior to the provisional assignment will be recognized as meeting the attorney contact requirements related to in-custody and out-of-custody defendants. Documentation of compliance with this subsection shall be noted in the Client Case file.

10. KC-DPD attorneys and support staff shall demonstrate an understanding of all Seattle Municipal Court Local Rules (SMCLR). Nothing in this subsection requires an attorney to violate the Rules of Professional Conduct, to fail to provide effective assistance of counsel, or to violate the local court rules or this Agreement.
11. The County shall establish and enforce policies and procedures to ensure that attorney time and other resources funded by this Agreement shall only be used for work which is authorized by this Agreement.
12. The County shall ensure that a preliminary written response to any written or oral complaints received from the City Agreement Administrator concerning services provided by the employees of the County or the County itself shall be made within three (3) Working Days of the date the complaint is received by the County Public Defender or his/her designee. Subject to the Rules of Professional Conduct the County will also provide the City Agreement Administrator with a summary of Cases transferred to the Conflict Attorney Panel because of a conflict that was due to the breakdown in attorney-client communications.

13. The County shall establish policies and procedures for pro-bono work provided by staff of the County. These policies and procedures shall assure that any such pro bono work is not provided to the exclusion or detriment of Legal Services that are the subject of this Agreement.

4. Supervisory KC-DPD attorneys must have at least three (3) years of criminal defense experience in superior, district or municipal courts in Washington State.
5. The County shall notify the City in the event that any attorney providing services under this Agreement has been sanctioned or disciplined by the WSBA or the Washington Supreme Court. The County shall notify the City in the event that any KC-DPD attorney providing services under this Agreement has been found to have provided ineffective assistance of counsel, whether by a WSBA ethics panel, or upon appellate review. In the event of such notification, the City and the County will confer regarding the appropriate course of action with regard to further services by the attorney in question, for Cases covered by this Agreement.

C. Evaluations:

The County's Division Directors of the Department of Public Defense, or their designees, shall evaluate the professional performance of KC-DPD attorneys and Professional Support Staff annually. Attorney evaluations should include monitoring of time and caseload records, review of Case files (including Client contact, trial and negotiation skills), quality of Case preparation, as well as in-court observation and an opportunity for judicial feedback. Professional support staff evaluations shall be sufficiently comprehensive to assess the quality of the actual work performed. The County shall submit to the City a summary report of the annual attorney performance evaluations upon request. The summary will note the number of attorneys evaluated. The County shall make available to the City its evaluation criteria and evidence that evaluations were conducted, although the substance of any specific evaluation will not be shared with the City.

Section 8: PAYMENT

- A. For January through December 2023, the City shall pay the County for the services specified in Section 6, in the amount estimated to be \$12,308,768. The detail of the estimated costs is shown in Exhibit 1-2023 Charges for Public Defense Services. This exhibit will be updated at least annually by mutual written agreement by the City Agreement Administrator and the County Public Defender to show the following years' charges. Estimated costs include the following factors and assumptions:
 1. Attorney compensation is based on the forty percent (40%) at Step 4 and sixty percent (60%) at Step 8 of the "King County Public Defense Attorney Salary Schedule (SEIU)". One (1) supervising attorney for every ten (10) FTE attorneys will be funded based on actuals, however, not higher than Step 15 of the "Attorney Supervisor (Teamsters)". Both salary

Ordinance 19574

schedules are provided as Appendix 1.

2. A fixed amount to staff the arraignment, intake, Seattle Mental Health Court, and Veteran's Treatment Court calendars, overhead, support staffing, and supervising attorneys based on a caseload assumption of 7,500. The fixed amount will be billed monthly.
3. The City will reimburse the County for all costs associated with defense activities not included in the administrative overhead, including but not limited to transcripts, medical records, legal records, mileage and parking for investigation and client visits.
4. Payment for Completed Cases shall be based on:
 - a. Cost per Credit contained in Exhibit 1: Payment for the final month will not be made until all closed Case reports for the year have been submitted to the City Agreement Administrator. The cost per Credit and estimated number of Credits will be updated annually as described in Section 8.A and as shown in Exhibit 1.
 - b. Completed Cases shall be closed and submitted to the City Agreement Administrator for payment within sixty (60) days of the date of final action. Payment is based on the cost per Case of the year the Case was opened. If a Client fails to appear, the Case may be closed and submitted to the City Agreement Administrator for payment.
 - i. A Case which was closed and submitted to the City Agreement Administrator for full payment because the Court had issued a bench warrant for the Client and had struck all further court dates shall not be considered a new Case when that warrant is quashed or served, and new hearing dates are set within twelve (12) months of the date of assignment.
 - ii. If the warrant is quashed or served and new hearing dates are set more than twelve (12) months after the date of initial assignment, it will be treated as a new Case and may be submitted for payment upon Case completion.
 - c. The County will receive no additional payment for a Misdemeanor Case when the Court dismisses the Case upon the motion of the prosecuting attorney before any Legal Services have been provided.
 - d. No payment shall be made for work on Cases which are subsequently identified as conflicts with the exception of Cases in which the Client obtains a new attorney at his own expense or through a request to the Court; or in Cases involving other extraordinary circumstances in which payment is approved by the City including, but not limited to Cases in which the conflict is based on information or evidence which the KC-DPD attorney could not have reasonably known or discovered at the time of the initial conflicts check. Under these circumstances, payment will be made if a minimum of two (2) hours of attorney work has been performed, if the attorney worked less than two (2) hours the City will pay two-tenths (0.2) Case Credit.
 - e. The County will be paid six and one half (6.5) Case Credits to defend appeals in King County Superior Court, supplemental credits will be awarded as specific in Section 3.B.3.c. and three and one-half (3.5) Case Credits to defend a writ. Credits are paid as stipulated in Subsections B.4 and B.5 of Section 3. Petitioning for a Motion for Discretionary Review is two (2) Case Credits.
 - f. In the event that one probationary hearing handles probationary matters related to

Ordinance 19574

more than one Case, only one credit will be paid to the County if the matters are handled at one hearing.

5. The County will be paid three and one-half (3.5) Case Credits when a Misdemeanor Writ is opened.
 6. The City will additionally reimburse the County for the actual cost of medical record copies and cost of transcripts associated with RALJ and WRIT appeals as itemized on the monthly invoice from the County.
 7. The County will review and pay CAP invoices. The City will reimburse the County on a quarterly basis for money paid to CAP attorneys.
- B. Payment for each year beyond 2023 shall be adjusted to account for changes in projected caseload and changes in cost. Allowable cost increases include inflationary adjustments to the KC-DPD Attorney and Attorney Supervisor Salary Schedules as specified in Section 4.A. All other costs will include inflationary adjustments but will not increase more than the July to June annual average of the CPI-U identified by King County Performance, Strategy and Budget during the budget process. Increased or decreased costs due to changes in level of service must be negotiated and approved by the City Agreement Administrator and the County Public Defender. By no later than June 1 of each year, KC-DPD will finalize proposed cost increases for the following calendar year including the application of the CPI and actual costs, any staffing market adjustments, and staffing changes related to public defense standards.
- C. Payment shall be made by the City to the County upon the City's receipt of an invoice itemizing the work elements performed for the period covered by the invoice and shall include an electronic spreadsheet itemizing the Completed Cases corresponding to the invoice. The County shall provide the City with the invoice and documentation twenty (20) days after the close of each calendar month. The City will pay the County within 45 days of receipt of the invoice.

Section 9: REPORTING REQUIREMENTS

The County will provide the City with monthly electronic reports in spreadsheet format on all closed Cases. Cases must be closed within sixty (60) days after the last hearing on the Case. These reports must contain:

- ▶ Defendant's name
- ▶ Cause number(s)
- ▶ Most serious criminal charge filed
- ▶ Number of charges filed in each Case
- ▶ If it was a probation review hearing
- ▶ Bench Trial, Jury Trial, Plea or Dismissal

- ▶ Date Case assigned
- ▶ Date Case closed

The County must provide the City Agreement Administrator the reports described below.

The City, or any of its duly authorized representatives, shall have access to any such books, records and documents for inspection, audit and copying. The closed Case report is due on or before the twentieth (20th) day of the following month for services of the prior month. Other reports are due as provided above. Payment may be withheld if reports are not submitted on time.

The County will immediately notify the City Agreement Administrator in writing when it becomes aware that a complaint lodged with the Washington State Bar Association has resulted in reprimand, suspension, or disbarment of an attorney providing services under this Agreement.

A. Fixed Cost Adjustments based on increased service levels

1. Calendar Changes: Calendar and calendar schedules are subject to change during the duration of the Agreement. Increases or decreases in service levels will be subject to further negotiations between the City and the County;
2. Case Credits in Excess of Exhibit 1 Forecast: At the beginning of the third quarter of each year of the contract, the Parties shall adjust the fixed cost of the contract if the number of Case Credits exceed the pro rata amount of Case Credits forecast by Exhibit 1. Fixed costs shall be adjusted by determining the number of additional attorneys needed to handle the excess Case Credits, rounded up to the next whole person, and applying the support staff ratios in section 3.S.5 rounded up to the next whole person. Cost adjustments will use the same assumptions for added positions as the budget for the contract year.

Section 10: OPERATING BUDGET

The County shall apply Payment received from the City under this Agreement in accordance with the approved budget as shown in Exhibit 1.

The City makes no commitments to support and assumes no obligation for future support of the activity agreed to herein except as expressly set forth in this Agreement.

The Payment by the City to the County pursuant to the terms of this Agreement is solely for the services and expenses that are directly and legitimately related to the performance of the provisions of this Agreement. In the event the City determines that Payment pursuant to this Agreement were expended by County for any purposes other than those set forth in this Agreement, such expenditure shall constitute a material breach of this Agreement. Income and expenses, including prorated overhead costs, for the SMC Cases shall be reported and traceable in a method consistent with accounting standards in Section 18 below. If the County receives

Ordinance 19574

any revenue from any other source for work within the scope of this Agreement, the costs paid, including prorated overhead, for work done with that revenue shall be reported and traceable according to the accounting standards noted below.

Section 11: CORRECTIVE ACTION

If the City believes that the County has failed to comply with the obligations in this Agreement or has failed to provide the Legal Services in a manner consistent with this Agreement (a breach), and if the City believes said breach to warrant corrective action, the following sequential procedure shall apply:

- A. Any dispute or misunderstanding that may arise under this Agreement concerning the County's performance shall first be resolved through negotiations, if possible, between the County Public Defender or delegate and the City Agreement Administrator or delegate, or if necessary, shall be referred to the Director of the City Budget Office (or delegated representative). If such officials do not agree upon a decision within a reasonable period of time, the parties may pursue other legal means to resolve such disputes, including but not limited to alternate dispute resolution processes. In absence of an agreed alternative, the following process shall be employed.
1. The City will notify the County Public Defender in writing of the nature of the breach;
 2. The County shall respond in writing within three (3) Working Days of its receipt of such notification, which response shall indicate the steps being taken to correct the specified deficiencies, and the proposed completion date for achieving compliance with the Agreement, which date shall not be more than ten (10) Working Days from the date of the County's response;
 3. The City will notify the County in writing of the City's determination as to the sufficiency of the County's corrective action plan. The determination of the sufficiency of the County's corrective action plan will be at the discretion of the City; however, the City's determination of the sufficiency of the County's corrective action plan shall take into consideration the reasonableness of the proposed corrective action, in light of the alleged breach. In all Cases where corrective action is determined by the City to be appropriate, the City shall work with the County to implement the plan;
 4. In the event that the County does not respond within the appropriate time with the corrective action plan, or the County's corrective action plan is determined by the City to be insufficient, the City may commence termination of this Agreement in whole or in part pursuant to Section 12.A if good cause (as defined below) exists;
 5. In addition, the City may withhold any payment owed the County or direct the County to stop incurring additional obligations of funds until the City is satisfied the corrective action has been taken or completed; and
 6. Nothing herein shall be deemed to affect or waive any rights the parties may have pursuant to Section 12.
- B. Pending final decision of a dispute hereunder, and except where the City has directed the County to stop incurring obligations as provided in Section 11.A.5, the County shall proceed diligently with the performance of the Agreement and in accordance with the direction of the City.

Section 12: TERMINATION

Ordinance 19574

A. The City may terminate this Agreement in whole or in part upon ten (10) Working Days' written notice to the County of good cause. The following constitute good cause for Agreement termination:

1. The County substantially breaches any duty, obligation, or service required pursuant to this Agreement.
2. The County engages in misappropriation of funds or fraudulent disbursement of funds.
3. The duties, obligations, or services herein become impossible, illegal, or not feasible.

Before the City terminates the Agreement under this Section, the City shall provide the County written notice of termination, which notice shall include the reasons for termination and the effective date of termination. The County shall have the opportunity to submit a written response to the City within (10) Working Days from the date of the City's notice. If the County elects to submit a written response, the City Agreement Administrator will review the response and issue a determination to the County within ten (10) Working Days after receipt of the County's response. If the County does not concur with the determination, the County may request a review of the determination by the Mayor by written appeal filed within ten (10) days of the City Agreement Administrator's determination to the Office of the Mayor. The Agreement shall remain in full force and effect until a decision is made and communicated to the County by the Mayor. In the event the Mayor reaffirms termination, the Agreement shall terminate following the tenth (10) Working Day from the date of the final decision of and notice by the Mayor, unless a later termination date is specified in the Mayor's notice.

In the event this Agreement is terminated in whole or in part pursuant to Section 12.A.1 or Section 12.A.2, the County shall be liable for damages, including the reasonable costs of the procurement of similar services from another source.

B. If for any reason, expected or actual funding from any source for all or part of this Agreement, other than funding appropriated by the City in any annual budget adopted by Seattle City Council, shall be reduced, withdrawn, suspended, or otherwise not available, the City may suspend or terminate any portion of the Legal Services under this Agreement which relies on the reduced, withdrawn, suspended, or otherwise unavailable funds. The City will promptly notify the County in writing that the specific funding is no longer available, and upon receipt of such notice, the County will be released from performing the Legal Services required for those terminated or suspended portions of this Agreement which were dependent upon such funding. The City shall promptly inform the Court of the suspended or terminated service and request the Court to refrain from sending screened Client Cases to the County. The City will be released from liability to the County for Cases not yet assigned pursuant to those portions of this Agreement for which funds are not available. If any such termination is required, it shall be limited to only those services that directly relied on the unavailable funding. The balance of this Agreement shall remain in full force and effect.

C. In addition to all other termination rights herein, the City reserves the right to terminate this Agreement for convenience upon ninety (90) days written notice before the close of the then-current appropriation year.

If City funding is withdrawn, reduced, or limited in any way prior to the termination date set from the above in Section 5, the City may, upon written notification to the County, terminate this Agreement to the extent that funding has been withdrawn, reduced or limited. If the Agreement is terminated as provided in this Subsection C, the City will be liable only for payment in

Ordinance 19574

accordance with the terms of this Agreement for services rendered prior to the effective date of termination; and the County shall be released from any obligation to provide further Legal Services as are affected by termination.

- D. If this Agreement is terminated, the City Agreement Administrator may request the County to attempt to withdraw from any Case assigned and not completed. If the County's attempt to withdraw is denied by the Court and the County provides the City Agreement Administrator with proof of the Court's decision, the City will pay the County under Section 8 for the continued representation required by the Court.

If this Agreement is terminated, the County and City shall meet and confer regarding those Cases for which the County has continued responsibility after termination; for such Cases the City shall remain obligated to pay the County pursuant to Section 8, and jointly determine the fixed costs to wind down the caseload.

- E. The County reserves the right to terminate this Agreement for cause with thirty (30) days written notice if the City substantially breaches any of its duties, obligations or requirements applicable to Legal Services under this Agreement. If the County terminates this Agreement for reasons other than cause resulting from substantial breach of this Agreement by the City, the County shall be liable for damages, including the excess costs of the procurement of similar services from another source, unless it is determined by the City Agreement Administrator that (i) no default actually occurred, or (ii) the failure to perform was without the County's control, fault or negligence.
- F. If termination is due to the County's misappropriation of funds, non-performance of services, or fiscal mismanagement, in addition to any other remedies available to the City, the County shall return to the City any funds that the City paid to the County that were misappropriated or were paid for services that the County did not perform.
- G. Except as otherwise provided in this Agreement, it shall terminate on the date specified in Section 5, and shall be subject to extension only by an amendment executed by both Parties in accordance with Section 24.A.
- H. Nothing herein shall be deemed to constitute a waiver by either Party of any legal right or remedy for wrongful termination of the Agreement. In the event that legal remedies are pursued for wrongful termination or for any other reason, the non-prevailing Party shall be required to reimburse the prevailing Party for all reasonable attorney fees and costs.
- I. In the event of termination or non-renewal of this Agreement, all Cases not required to be completed by the County shall be returned to the City Agreement Administrator for reassignment.

Section 13: SOCIAL EQUITY REQUIREMENTS

The County shall not discriminate against any employee or applicant for employment because of race, religion, creed, age, color, sex, marital status, sexual orientation, gender identity, political ideology, ancestry, national origin, or the presence of any sensory, mental or physical handicap, unless based upon a bona fide occupational qualification. The County shall make affirmative efforts to ensure that applicants are employed, and that employees are treated during employment, without regard to their creed, religion, race, age, color, sex, national origin, marital status, political ideology, ancestry, sexual orientation, gender identity, or the presence of any sensory, mental or physical disability. Such efforts shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising, layoff or termination, rates of pay, or other forms of

Ordinance 19574

compensation and selection for training.

Section 14: OTHER LEGAL REQUIREMENTS

Licenses and Similar Authorizations: The County, at no expense to the City, shall secure and maintain in full force and effect during the term of this Agreement all required licenses, permits, and similar legal authorizations, and comply with all requirements thereof.

Section 15: INDEMNIFICATION

The County does hereby release and shall defend, indemnify, and hold the City and its officers, employees and agents harmless from all losses, liabilities, claims (including claims arising under federal, state or local environmental laws), costs (including attorney's fees), actions or damages of any sort whatsoever arising out of the County's performance of the services contemplated by this Agreement to the extent attributable to the negligent acts or omissions, willful misconduct or breach of this Agreement by the County, its officers, agents, and employees. In furtherance of these obligations, and only with respect to the City, its officers, employees and agents, the County waives any immunity it may have or limitation on the amount or type of damages imposed under any industrial insurance, worker's compensation, disability, employee benefit or similar laws. The County acknowledges that the foregoing waiver of immunity was mutually negotiated and agrees that the indemnification provided for in this section shall survive any termination or expiration of this Agreement.

Section 16: INSURANCE

The County maintains a fully funded Self-Insurance program for the protection and handling of the County's liabilities including injuries to persons and damage to property.

The City acknowledges, agrees and understands that the County is self-funded for all of its liability exposures. The County agrees, at its own expense, to maintain, through its self-funded program or otherwise, coverage for all of its liability exposures for this Agreement.

Section 17: ESTABLISHMENT AND MAINTENANCE OF RECORDS

- A. The County shall maintain accounts and records, including personnel, property, financial, and programmatic records, which sufficiently and properly reflect all direct and indirect costs of any nature expended and services performed in the performance of this Agreement. The County shall maintain records and accounts in accordance with accepted accounting practices, including records of the time spent by the County on each Case.
- B. The County further covenants and agrees that it shall maintain all records which sufficiently and properly reflect all costs and indirect costs of any nature for any subcontracts or personal service Agreements. Said records shall include, but not be limited to, documentation of any funds expended by the County for said personal service contracts or subcontracts, documentation of the nature of the service which is rendered, and records which demonstrate the amount of time spent by each subcontract or personal service contract or rendering service pursuant to the subcontract or personal service Agreement.
- C. Records shall be maintained for a period of not less than six (6) years after termination, in an accessible location and condition, unless permission to destroy them is granted by the Office of

Ordinance 19574

the Archivist in accordance with Chapter 40.14. RCW and the City.

- D. Willful failure to maintain or produce records or other required documentation during the time for maintenance of records may result in specific, related costs being disallowed. In the event the City has reason to believe that such a failure exists, notice shall be given to the County and the County shall respond in writing. The time for notification and response shall be the same as set forth in Section 12.A.

If the County's response is deemed unacceptable, the question of whether or not specific costs are disallowed shall be determined by a jointly appointed, qualified independent Certified Public Accountant, in a manner consistent with generally accepted auditing standards and accounting principles. Disallowed costs may be recovered from the County by the City.

Section 18: AUDITS, RECORDS, AND ANNUAL FINANCIAL STATEMENTS

- A. Upon request, the County shall permit the City, and any other governmental agency involved in the funding of the Agreement, to inspect and audit all pertinent books and records of the County, or any other person or entity that performed work in connection with or related to the Agreement services, at any and all times deemed necessary by the City or County, including up to six (6) years after the final payment or release of withheld amounts has been made under this Agreement. Such inspection and audit shall occur in Seattle, Washington or other such reasonable location as the City or County selects. The County shall supply the City with, or shall permit the City to make a copy of any such books and records and any portion thereof, except that if any such data, records or materials are subject to any privilege or rules of confidentiality the County must not breach such confidentiality or privilege. The County shall ensure that such inspection, audit and copying right of the City is a condition of any subcontract, agreement or other arrangement under which any other person or entity is permitted to perform work under this Agreement.

The County agrees to cooperate with the City or its agent in the evaluation of the County's performance under this Agreement and to make available all information reasonably required by any such evaluation process or ongoing reporting requirements established by the City. The results and records of said evaluations and reports shall be maintained and disclosed in accordance with Chapter 42.56 RCW.

Notwithstanding any of the above provisions of this Subsection, all Constitutional, statutory, and common law rights and privileges of any Indigent Defendant are not waived, and, nothing in this Agreement shall require the disclosure of the name of any Client to the extent that such disclosure is consistent with Chapters 13.34, 71.02, or 71.05 RCW.

- B. The County and the City shall be governed by applicable law, including Chapter 43.09 RCW, addressing annual auditing, accountability and reporting requirements for local governments. This Agreement may be included in County annual audits by the state auditor including the annual accountability audit and the annual financial statement audit.

All audited annual financial statements shall be based on the accrual method of accounting for revenue and expenditures. The County's annual financial statements shall be prepared recognizing all reserve accounts, prepayment accounts and operating accounts at the end of the Agreement Term.

- C. All reports required under this Agreement shall be submitted to the City via electronic media (e-mail attachment or flash drive) within the time limits required for each report.

Ordinance 19574

Section 19: ASSIGNMENT AND SUBCONTRACTING

The County shall not assign or subcontract any of its obligations under this Agreement without the City's written consent, which may be granted or withheld in the City's sole discretion. The City's consent must be sought in writing by the County not less than fifteen (15) days prior to the date of any proposed assignment or subcontract. Any subcontract made by the County shall incorporate by reference all the terms of this Agreement. The County shall ensure that all subcontractors comply with the obligations and requirements of the subcontract. The City's consent to any assignment or subcontract shall not release the County from liability under this Agreement, or from any obligation under this Agreement, whether occurring before or after such consent, assignment, or subcontract.

Section 20: CONTRACTUAL RELATIONSHIP

The relationship of the County to the City by reason of this Agreement shall be that of an independent contractor. The County is not granted any express or implied right or authority to assume or create any obligation or responsibility on behalf of or in the name of the City or to bind the City in any manner or thing whatsoever. The County shall perform services under this Agreement according to the County's own means and methods of work and professional standards applicable to public defense services, and shall be in the exclusive charge and control of the County and not subject to control or supervision by the City, except for such requirements for performance and compliance with standards as are specified in this Agreement.

Section 21: ERRORS & OMISSIONS; CORRECTION

The County shall be responsible for the professional Legal Services furnished by or on the behalf of the County under this Agreement. The County, without additional Payment, shall correct or revise any errors or omissions in the County services immediately upon notification by the City. The obligation provided for in this Section with respect to any acts or omissions during the term of this Agreement shall survive any termination or expiration of this Agreement.

Section 22: PUBLIC DISCLOSURE

The County and the City, as public agencies, mutually agree to provide notification of public disclosure requests involving services under this Agreement and will work cooperatively within the standard protocols of each to ensure compliance with respective statutory duties regarding public disclosure.

Section 23: EXTRA WORK

The City may desire to have the County perform work or render services in connection with this project other than that expressly provided for in Section 6. This will be considered extra work, supplemental to this Agreement, and shall not proceed unless authorized by an amendment. Any costs incurred due to the performance of extra work prior to execution of an amendment will not be reimbursed under this Agreement or an amendment.

Section 24: MISCELLANEOUS PROVISIONS

- A. Amendments: Amendments shall not be effective unless in writing and signed by an authorized representative of each of the parties hereto. Agreement amendments relating to schedules and

Ordinance 19574

court calendars; attorney assignments and staffing; reporting and records; and such other matters regarding the administration of the Agreement that can be made within existing appropriation authority and consistent with public defense standards may be agreed to on behalf of the City by the City Budget Office Director and the County Public Defender, or their designees. Unless to comply with law or court rule, Agreement amendments requiring additional appropriations to the Indigent Defense Services Budget Control Level not authorized in the scope of work or otherwise provided by the Agreement shall require appropriate legislative authorization.

- B. Binding Agreement: This Agreement shall not be binding until signed by both parties. The provisions, covenants and conditions in this Agreement shall bind the parties, their legal heirs, representatives, successors, and assigns.
- C. Conflicts with Other Agreements: If there is any conflict between the terms of this Agreement and any other agreement, this Agreement shall prevail unless the Parties otherwise expressly agree in writing that such other agreement shall override this Agreement in that respect. The City understands that the County is subject to labor contracts with SEIU 925 and Teamsters 117 (“Union Agreements”). Although the City cannot guarantee amendments to this Agreement pursuant to the term in Section 5, the City shall endeavor in good faith to support the County’s compliance with the Union Agreements in future negotiations.
- D. General Requirement: The County, at no expense to the City other than the required payments pursuant to Section 8, shall comply with all applicable laws of the United States, the State of Washington and the City; and rules, regulations, orders and directives of their administrative agencies and the officers thereof. Without limiting the generality of this paragraph, the County shall specifically comply with the requirements of this Section.
- E. Applicable Law and Venue: This Agreement shall be construed and interpreted in accordance with the laws of the State of Washington. The venue of any action brought hereunder shall be in the Superior Court for King County.
- F. Remedies Cumulative: Rights under this Agreement are cumulative and nonexclusive of any other remedy at law or inequity.
- G. Captions: The titles of sections are for convenience only and do not define or limit the contents.
- H. Severability: If any term or provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Agreement shall not be affected thereby, and each term and provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.
- I. Waiver: No covenant, term, condition or breach thereof shall be deemed waived, except by written consent of the Party against whom the waiver is claimed, and any waiver of the breach of any covenant, term or condition shall not be deemed to be a waiver of any preceding or succeeding breach of the same or any other covenant, term or condition. Neither the acceptance by the City of any performance by the County after the time the same shall have become due nor payment to the County for any portion of the Work shall constitute a waiver by the City of the breach or default of any covenant, term or condition unless otherwise expressly agreed to by the City, in writing.
- J. Entire Agreement: This document, along with any exhibits and attachments, constitutes the entire Agreement between the City and the County. No oral agreement or conversation between any officer, agent, associate or employee of the City and any officer, associate, or employee of

Ordinance 19574

the County prior to the execution of this Agreement shall affect or modify any of the terms or obligations contained in this Agreement.

- K. Negotiated Agreement: The Parties acknowledge that this is a negotiated agreement, that they have had the opportunity to have this Agreement reviewed by their respective legal counsel, and that the terms and conditions of this Agreement are not to be construed against either Party on the basis of such Party's draftsmanship thereof.
- L. Political Activity Prohibited: None of the funds, materials, property, or services provided directly or indirectly under this Agreement shall be used for any political activity, including but not limited to the election or defeat of any candidate for public office.
- M. No Personal Liability: No officer, agent or authorized employee of the City shall be personally responsible for any liability arising under this Agreement, whether expressed or implied, nor for any statement or representation made herein or in any connection with this Agreement.
- N. No Third-Party Beneficiaries: There are no third-party beneficiaries to this Agreement, and this Agreement shall not impart any rights enforceable by any person or entity that is not a Party hereto, except as may be authorized under Section 19.
- O. Addresses for Notices and Deliverable Materials: All official notices under this Agreement shall be delivered to the following addresses and addressees (or such other address or addresses, and addressee or addressees, as either Party may designate in writing):

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, King County-Department of 02 (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to cipriano.dacanay@kingcounty.gov and in the body of such request you must state your email, full name, mailing address, and telephone number.
