1 AN ORDINANCE approving the City of Snoqualmie Final
2 General Sewer Plan dated July 2022.

3 **STATEMENT OF FACTS:**

4 1. King County has adopted K.C.C. chapter 13.24, which requires
5 approval of comprehensive plans for water and sewer utilities that provide
6 service in unincorporated King County as a prerequisite for operating in
7 unincorporated King County, receiving approval for annexation proposals,
8 being granted right of way franchises, and being given approval for right
9 of way construction permits. K.C.C. chapter 13.24 prescribes the
10 requirements for approval of such plans, including consistency with state
11 and local planning requirements.

12 2. The city of Snoqualmie's last general sewer/wastewater facility plan
13 was prepared in 2015. King County regulations require wastewater
14 system plans to be updated every six years.

15 3. The city of Snoqualmie's wastewater system has a service area within
16 King County and has adopted a comprehensive wastewater plan update
17 ("the plan").

18 4. King County has adopted a Comprehensive Plan that includes policies
19 F-101 through F-264, the applicable portions of which address wastewater
20 policies for facilities and services; these wastewater policies call for

Ordinance 19579

21 consistency with other adopted plans, pursuit of reclaimed water, water
22 conservation and protection of water resources.

23 5. K.C.C. chapter 13.24 requires the utilities technical review committee
24 to review and make a recommendation to the King County executive and
25 council on the plan, the requirements under K.C.C. chapter 13.24 and
26 consistency with the King County Comprehensive Plan. The utilities
27 technical review committee has reviewed the planning data and system
28 operations and has found:

29 a. The plan uses population and employment forecasts developed by the
30 Puget Sound Regional Council;

31 b. The system's service area is in unincorporated King County;

32 c. The capital facility plan is adequate to meet anticipated facility and
33 service needs;

34 d. The plan is consistent with applicable Washington state water quality
35 laws; and

36 e. The plan is consistent with other pertinent county adopted plans and
37 policies.

38 6. Washington state Department of Ecology approval is pending upon
39 King County's approval of the plan.

40 7. Under the State Environmental Policy Act the system completed an
41 environmental check list and the city issued a Determination of
42 Nonsignificance for the plan approval on March 22, 2022. There were no
43 appeals.

Ordinance 19579

44 8. The system's operations and facilities meet multiple existing statutory,
45 administrative and planning standards. As the system's operations,
46 facilities and planning meet the requirements of the King County Code
47 and are consistent with the King County Comprehensive Plan, the utilities
48 technical review committee has recommended approval of the plan.

49 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below.
