**Proposed No.** 2025-0339.2

**Sponsors** Dembowski

1 AN ORDINANCE establishing the position of facilities  
2 management manager as a key subordinate unit; and  
3 amending Ordinance 11955, Section 12, as amended, and  
4 K.C.C. 2.16.100.

5 **STATEMENT OF FACTS:**

- 6 1. Before 2002, the King County facilities management division was a  
7 county department named the department of construction and facilities  
8 management. In 2003, the department of construction and facilities  
9 management was created as a division of the department of executive  
10 services via Ordinance 14570.
- 11 2. The facilities management division contains seven sections and  
12 workgroups that collectively oversee and maintain building operations,  
13 major capital projects and planning, parking operations, real estate  
14 services, physical security, countywide printing needs, and financial  
15 tracking for all real property owned or leased by the county. The 2026-  
16 2027 proposed operating and capital budget for the facilities management  
17 division is \$354 million.
- 18 2. The nature of the programs for which the facilities management  
19 division will be responsible in the future is evolving and the public policy  
20 implications from those programs will have a long term effect on the

21 residents of King County. For example, planning for the future of the  
22 county's downtown civic campus will intensify over the next biennium,  
23 which will have long term effect on how and where the county will  
24 deliver its services to residents. At the forefront will not only be the  
25 county's capital planning for the civic campus but for all county facilities  
26 throughout the county. The facilities management division will be the  
27 lead agency in overseeing this planning. Additionally, the real property  
28 market is in flux; where people work and live is changing. The policy  
29 implications from this will directly impact the county's infrastructure  
30 needs in the immediate and long term future, with the facilities  
31 management division as the lead agency on determining the county's  
32 needs for owning versus leasing space.

33 3. Irrespective of the title used by the executive branch regarding the  
34 position that is responsible for managing the facilities management  
35 division, under K.C.C. 2.16.020.D., divisions are headed by managers.

36 4. Having the manager of this vital division confirmed by the council  
37 will enhance the accountability and performance of King County's capital  
38 facilities programming.

39 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

40 **SECTION 1. Findings:** The county council has determined due to the nature of  
41 the programs involved and the public policy implications, appointment of the manager  
42 of the facilities management division shall be subject to confirmation by the council in  
43 accordance with K.C.C. 2.16.100.
