300 Bonds, will reduce the overall costs of borrowing such funds and is in the best interests of  
301 the county and its residents.

302 B. Because conditions in the capital markets vary and provide opportunities for  
303 debt service savings from time to time, it is in the best interests of the county that the  
304 county retain the flexibility to refund all or a portion of the Refunding Candidates by  
305 issuing the Refunding Bonds in order to effect a savings to the county or, when necessary  
306 or in the best interest of the county, to modify debt service requirements, sources of  
307 payment, covenants or other terms of the Refunded Bonds.

309 time one or more series of its limited tax general obligation bonds in an aggregate

311 the Projects, and to pay the costs of issuing the Project Bonds.

Ordinance 19711

---

312 D. The county may have opportunities to refund all or portions of its currently  
313 outstanding limited tax general obligations, any limited tax general obligation bonds or  
314 both issued in the future, in each case to effect a savings to the county or when necessary  
315 or in the best interest of the county to modify debt service requirements, sources of  
316 payment, covenants, or other terms of the bonds to be refunded.

317 E. It necessary and advisable for the county to issue and sell from time to time  
318 one or more series of its limited tax general obligation refunding bonds for such  
319 refunding opportunities, and to pay the costs of issuing the Refunding Bonds, as provided  
320 in Ordinance 19530, as amended by ~~((this ordinance (Proposed Ordinance 2023-0155)))~~  
321 Ordinance 19624 and this ordinance (Proposed Ordinance 2023-0357).

322 F. In accordance with RCW 36.46.040, the Finance Director is authorized to  
323 serve as the county's designated representative to accept offers to purchase the Bonds on  
324 behalf of the county. This authorization includes the Finance Director's authority to sell  
325 the Bonds in one or more Series, by competitive bid or negotiated sale, or to the federal  
326 government or other purchaser, and to identify any Refunding Candidates to be refunded,  
327 in consultation with the county's financial advisors, and consistent with terms and  
328 parameters established by Ordinance 19530, as amended by ~~((this ordinance (Proposed  
329 Ordinance 2023-0155)))~~ Ordinance 19624, this ordinance (Proposed Ordinance 2023-  
330 0357), and county debt policy.

331 G. Climate change is an existential threat to the livelihoods, health, and well-  
332 being of all residents of the county. The county's residents, environment, and economy  
333 have already experienced and will continue to experience significant impacts caused by  
334 climate change.

---

Ordinance 19711

---

335 H. Delay in taking definitive action to reduce greenhouse gas emissions will  
336 result in greater threats posed by climate change to current and future generations and  
337 greater cost to protect and maintain communities against the impacts of climate change.

338 I. The county can and must act now to reduce community greenhouse gas  
339 emissions and to prepare for, and adapt to, the impacts of climate change on the county's  
340 environment, economy and the health and safety of its residents.

341 J. The use of \$15,000,000 from the tax revenues received from the Washington  
342 state convention and trade center to pay the principal and interest on Bonds issued to  
343 finance the Equitably Community Driven Affordable Housing Development is an

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, King County-Department of 02 (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

### **How to contact King County-Department of 02:**
