

Notice of Public Meeting
McGarvey Park Open Space
Forest Harvest
Monday, March 16, 6- 8:30 p.m.
Northwood Middle School
17007 S.E. 184th St., Renton

This summer, King County will harvest 71 acres of forest in McGarvey Park Natural Area as part of the 2011 McGarvey Park Forest Stewardship Plan.

The goals of this harvest include:

- Restore 71 acres of forest - See map
- Harvest dying and poor quality hardwoods
- Retain all existing conifers
- Plant conifers following harvest
- Retain wildlife habitat snags
- Protect streams and wetlands

King County Forestry and Parks employees are hosting a public meeting at Northwood Middle School at 6 p.m. on Monday, March 16 to discuss the proposed forest restoration activities, and to answer any questions.

The McGarvey Park Open Space Forest Stewardship Plan and answers to frequently asked questions are available at:
