### Ordinance 18177

	Propo	osed No. 2015-0395.2	Sponsors Phillips and Dembowski
1		AN ORDINANCE	updating the inventory of high
2		conservation value	properties to add new properties,
3		expand on existing	properties, correct administrative errors,
4		and reflect change	s in site names, parcel boundaries and
5		numbers, as specif	ied in K.C.C. 26.14.010 and Section 897
6		of the King Count	Charter.
7		STATEMENT OF FACT	S:
8		1. King County has acqui	red interests in open space properties in the form
9		of fee simple ownership,	conservation easements and development rights.
10		The county has done so u	sing funds from various funding sources,
11		including conservation fu	tures taxes, parks levy regional open space
12		funds, Forward Thrust, re	al estate excise taxes, surface water management
13		fees, the salmon recovery	funding board, the recreation and conservation
14		board (formerly the intera	gency for outdoor recreation), voter-approved
15		open space bond funds ar	nd state and federal conservation-oriented grants.
16		2. The primary purposes	of acquiring open space properties are to
17		conserve, preserve, prote	ct or enhance natural or scenic resources,
18		timberland devoted prim	arily to the growth and harvest of timber for
19		commercial purposes, str	eams, rivers, wetlands, soils, beaches, tidal

20	marshes, fish or wildlife habitat, water quality, passive recreational
21	opportunities, visual quality along highway, road and street corridors, and
22	scenic vistas, for current and future generations of King County residents.
23	3. Preserving the character of open space properties also reduces urban
24	sprawl, provides natural corridors in urban areas and serves to mitigate the
25	effects of human activities that contribute to climate change.
26	4. In July 2009, Ordinance 16600 authorized submission to the qualified
27	voters of King County a proposal to amend the King County Charter to
28	add a higher level of protection to certain high conservation value open
29	space properties in which the county has real property interests. This
30	measure was approved by the voters in November 2009 and the King
31	County Charter was amended to protect in perpetuity certain high
32	conservation value open space properties.
33	5. An inventory of high conservation value properties subject to this
34	enhanced protection was adopted by Ordinance 16601. In addition,
35	Ordinance 16601, Section 4, codified as K.C.C. 26.14.010, specified the
36	criteria for the removal and addition of properties from the inventory.
37	6. K.C.C. 26.14.010 prohibits removal or addition of properties from the
38	inventory of high conservation value properties except by ordinance
39	adopted in conformance with Section 897 of the King County Charter.
40	The department of natural resources and parks maintains the inventory and
41	proposes to modify the inventory to add properties and to correct

42	administrative errors and changes in site names, parcel numbers, and
43	parcel boundaries.

SECTION 2. In accordance with K.C.C. 26.14.010 and Section 897 of the King 154 County Charter, the council hereby adopts the high conservation value property inventory 155 which is Attachment A to this ordinance. 156 157 Ordinance 18177 was introduced on 10/5/2015 and passed by the Metropolitan King County Council on 11/23/2015, by the following vote: Yes: 9 - Mr. Phillips, Mr. von Reichbauer, Mr. Gossett, Ms. Hague, Ms. Lambert, Mr. Dunn, Mr. McDermott, Mr. Dembowski and Mr. Upthegrove No: 0 Excused: 0 KING COUNTY COUNCIL KING COUNTY, WASHINGTON Larry Phillips, Chair ATTEST: Anne Noris, Clerk of the Council APPROVED this Dow Constantine, County Executive

The updated High Conservation Value Property Inventory includes 105 sites, with a total acreage of 16,503 acres in fee and 142,623 acres in easement. 104 of the sites are in the Parks inventory (some have Transfer of Development Rights (TDR) property interests); one is solely in the TDR inventory (Girl Scout Camp).

The Inventory of High Conservation Value Properties consists of this table and the attached map delineations. While the table provides parcel numbers and acquisition deed recording numbers, such information is for reference purposes only and is not intended to delineate the actual boundaries of the inventoried property interest; the actual boundaries are delineated on the maps.

Inventory was created from King County DNRP Parks & TDR property inventory as of 6/30/2015. Technical corrections to fix errors in the earlier inventory's parcel boundaries, parcel numbers, site names, and inventory errors have been integrated into this updated inventory.

For each inventoried property interest, this table identifies:

- (1) The official name of the site (noting, where applicable, if just a portion of the site is included).
- (2) The number of acres included in the inventory.
- (3) The type of property interest owned by King County.
- (4) The recording number of the deed(s) by which the inventoried property interest was acquired.
- (5) The parcel number(s) on which the inventoried property interest is located (including -HYDR and -ROAD listings at Snoqualmie Forest & Upper Green River Watershed Forest where where our deed includes hydrological features or roads located outside of actual assessor parcel boundaries, and where that entire -HYDR or -ROAD parcel is owned by King County under said deed).
