

## **Where can I get tickets?**

Tickets available at [AXS.com](https://www.axs.com), charge by phone 888-929-7849, in person at Showbox at the Market and Showbox SoDo Box Office locations.

## **Do children have to have tickets?**

That depends on the show. Yes, tickets are required for children three years and older attending a regular concert performance. We ask that you do NOT bring in any children under the age of 6 into the reserved section. The volume level near the stage may be too high for sensitive ears. If you want your child to sit in the reserved seat area, the child must be ticketed no matter what show you are attending.

## **How big is the venue?**

The Marymoor concert site has a capacity of 5,000. That number consists of approximately 1700 reserved seats and space for 3300 people on the lawn (depending on the configuration). The back portion of the venue is formed by two huge grass mounds which form a natural amphitheater. Please remember that when attending a sold out show, you are not able to "spread out" as you would attending one that is not. The Marymoor venue has a seating area of over 52,000 square feet.

## **Are there camping and/or hotel accommodations in or around the venue?**

For most shows, there is no camping available at Marymoor Park. There are a number of hotels and motels in the area including the Redmond Inn (near the park's east entrance), and the Marriott Residence Inn in Redmond Towne Center. [Click here for more hotels.](#)

## **Will artist and venue merchandise be sold at the venue?**

Yes, series logo items will be available at all shows and it is up to each of the artists to provide their merchandise to be sold. Most, but not all, artists travel with merchandise.

All concerts are held rain or shine. If it looks like rain, you should be prepared. See next question.

## **Can we bring umbrellas?**

Rain umbrellas will be allowed while it's raining. People bringing shade umbrellas will be moved to the back of the venue.

## **How do I get to the Marymoor Park?**

Marymoor Park is located just off SR520 in Redmond. Take the West Lake Sammamish Parkway exit and you will see the large park as you do. Bear right, then take a left at the first stop light to the main entrance. Follow the signs to the concert venue area.

## **Can I bring my own chairs?**
