A RESOLUTION of the Board of Directors of Auburn School District No. 408, King and Pierce Counties, Washington, providing for the submission to the qualified electors of the district at a special election to be held therein on February 11, 2014, of a proposition to authorize the district to levy an additional tax of \$0.42 in 2014 for collection in 2015, \$0.41 in 2015 for collection in 2016, \$0.40 in 2016 for collection in 2017, \$0.39 in 2017 for collection in 2018, \$0.38 in 2018 for collection in 2019 and \$0.37 in 2019 for collection in 2020, to provide a total of \$22,000,000 for the District's Capital Projects Fund for technology improvements and equipment, such levies to be made for six years commencing in 2014 for collection in the school years from 2014-2015 through 2020-2021.

WHEREAS, the educational facilities of Auburn School District No. 408, King and Pierce Counties, Washington (the "District"), including technology facilities are in need of modernization, improvements and expansion to meet the current and future educational needs for its students; and

WHEREAS, funds available to the District will not be sufficient to enable the District to implement such projects; and

WHEREAS, in order to support the cost of these projects as found necessary by the Board of Directors, it is deemed advisable that the District levy a tax upon all the taxable property within the District in excess of the annual tax the District is permitted by law to levy without a vote of the people, such levy to be made for six years commencing in 2014 for collection in the school years from 2014-2015 through 2020-2021, inclusive, as authorized by Article VII, Section 2 of the State Constitution and RCW 84.52.053; and

WHEREAS, the question of whether or not such excess tax may be levied must be submitted to the qualified electors of the District for their ratification or rejection; and

WHEREAS, the conditions here and above set forth require the holding of a special election in the District;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF AUBURN SCHOOL DISTRICT NO. 408, KING AND PIERCE COUNTIES, WASHINGTON as follows:

Section 1. Finding. It is hereby found and declared that the welfare of the students and other residents of the District requires the District to carry out the improvements hereinafter provided.

Section 2. Authorization of Improvements. The District shall modernize its educational facilities through the acquisition and installation of technology systems, including infrastructure, computers, tablets, other technology devices, and implementation support, and shall make other Capital Projects Fund expenditures as found necessary by the Board of Directors.

The District may repay any obligations hereafter incurred for the foregoing purposes.

If available funds are sufficient, the District shall acquire, construct, equip and make other capital improvements to the facilities of the District, all as the Board of Directors finds necessary; provided that such funds may be used only to support the construction, modernization, replacement, and remodeling of school facilities or implementation of the District's technology facilities plan.

If the District shall determine that it has become impracticable to accomplish any of such improvements or portions thereof by reason of changed conditions or needs, incompatible development, costs substantially in excess of those estimated, or acquisition by a superior governmental authority, the District shall not be required to accomplish such improvement and may apply levy proceeds as set forth in this section. If any or all of the improvements have been

completed, or their completion duly provided for, or their completion found to be impractical, the District may apply the levy proceeds or any portion thereof to other portions of the improvements or to other capital purposes of the District, as the District in its discretion shall determine. Notwithstanding any provision of this resolution to the contrary, levy proceeds may only be used to support the construction, modernization or remodeling of school facilities or implementation of the District's technology facilities plan.

Section 3. Authorization of Levies. It is hereby found and declared that best interests of the District require the submission to the qualified electors of the District of the proposition whether the District shall make the Capital Projects Fund levies for their ratification or rejection at a special election to be held on February 11, 2014. For the purpose of providing funds necessary for the needs described in Section 2 above, King County Elections, as *ex officio* supervisor of elections in King County, is hereby requested to call and conduct such special election to be held within the District on such day and to submit to the qualified electors of the District for their approval or rejection, a proposition providing for tax levies for the Capital Projects Fund for six years, commencing in 2014, producing dollar amounts at estimated tax rates per thousand dollars of assessed value to produce such amounts, in excess of the maximum amount tax levy permitted by law to be levied within the District without a vote of the electors, all as follows:

- A. \$3,670,000, said levy to be made in 2014 for collection in 2015;
- B. \$3,670,000, said levy to be made in 2015 for collection in 2016;
- C. \$3,665,000, said levy to be made in 2016 for collection in 2017;
- D. \$3,665,000, said levy to be made in 2017 for collection in 2018;
- E. \$3,665,000, said levy to be made in 2018 for collection in 2019; and

F. \$3,665,000, said levy to be made in 2019 for collection in 2020.

The estimated levy rate depends upon the final dollar amount of assessed value of the property within the District. At this time, based upon information provided by the County Assessor's office, the estimated levy rate for the 2014 levy is \$0.42 per thousand dollars of assessed valuation, the estimated levy rate for the 2015 levy is \$0.41 per thousand dollars of assessed valuation, the estimated levy rate for the 2016 levy is \$0.40 per thousand dollars of assessed valuation, the estimated levy rate for the 2017 levy is \$0.39 per thousand dollars of assessed valuation, the estimated levy rate for the 2018 levy is \$0.38 per thousand dollars of assessed valuation, and the estimated levy rate for the 2019 levy is \$0.37 per thousand dollars of assessed valuation. The exact levy rate shall be adjusted based upon the actual assessed value of the property within the District at the time of the levy.

Section 4. Approval of Form of Ballot. The District requests King County Elections, as *ex officio* supervisor of elections, to call and conduct the special election to be held by all mail-in ballot within the District and to submit to the voters of the District the proposition set forth below.
