RESOLUTION NO. 2013-27

A RESOLUTION of the Board of Directors of Tahoma School District No. 409, King County, Washington, providing for the submission to the qualified electors of the district at a special election to be held therein on February 11, 2014, of a proposition to authorize the district to levy an additional tax to provide a total of \$10,800,000 for the District's Capital Projects Fund for construction, renovation, improvements and expansion of new and existing facilities, for technology improvements, and equipment and training to meet the current and future educational programs for its students, such levies to be made for four years commencing in 2014 for collection in the school years from 2014-2015 through 2017-2018.

WHEREAS, the educational facilities of Tahoma School District No. 409, King County, Washington (the "District"), including technology facilities are in need of renovation, construction, improvements and expansion to meet the current and future educational programs for its students; and

WHEREAS, funds available to the District will be insufficient to enable the District to implement such projects; and

WHEREAS, in order to support the cost of these projects as found necessary by the Board of Directors, it is deemed advisable that the District levy a tax upon all the taxable property within the District in excess of the annual tax the District is permitted by law to levy without a vote of the people, such levy to be made for four years commencing in 2014 for collection in the school years from 2014-2015 through 2017-2018, inclusive, as authorized by Article VII, Section 2 of the State Constitution and RCW 84.52.053; and

WHEREAS, the question of whether or not such excess tax may be levied must be submitted to the qualified electors of the District for their ratification or rejection; and

WHEREAS, the conditions here and above set forth which requires the holding of a special election in the District;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF TAHOMA SCHOOL DISTRICT NO. 409, KING COUNTY, WASHINGTON as follows:

Section 1. Finding. It is hereby found and declared that the welfare of the students and other residents of the District requires the District to carry out the improvements hereinafter provided.

Section 2. Authorization of Improvements. The District shall modernize and expand its school facilities through the construction, renovation, improvement and expansion of new and existing facilities, and improvements to technology equipment and training. In addition, the District shall also modernize its educational facilities through the acquisition and installation, implementation and management of computer technology and technology systems, facilities and projects, including but not limited to enhancing infrastructure, acquiring hardware, licensing software, and implementing online applications and training related to the installation of the foregoing as an integral part of the District's technology systems, facilities, or projects; and the application and modernization of technology systems for operations and instruction including, but not limited to, the ongoing fees for online applications, subscriptions, or software licenses, including upgrades and incidental services, and ongoing training related to the installation and integration of these products or services, and shall make other capital project expenditures as found necessary by the Board of Directors.

The District may repay any obligations hereafter incurred for the foregoing purposes.

If available funds are sufficient, the District shall acquire, construct, equip and make other capital improvements to the facilities of the District, all as the Board of Directors finds necessary; provided that such funds may be used only to support the construction,

modernization, replacement, and remodeling of school facilities or implementation of the District's technology facilities plan.

If the District shall determine that it has become impracticable to accomplish any of such improvements or portions thereof by reason of changed conditions or needs, incompatible development, costs substantially in excess of those estimated, or acquisition by a superior governmental authority, the District shall not be required to accomplish such improvement and may apply levy proceeds as set forth in this section. If any or all of the improvements have been completed, or their completion duly provided for, or their completion found to be impractical, the District may apply the levy proceeds or any portion thereof to other portions of the improvements or to other capital purposes of the District, as the District in its discretion shall determine. Notwithstanding any provision of this resolution to the contrary, levy proceeds may only be used to support the construction, modernization or remodeling of school facilities or implementation of the District's technology facilities plan.

Section 3. Authorization of Levies. It is hereby found and declared that best interests of the District require the submission to the qualified electors of the District of the proposition whether the District shall make the Capital Projects Fund levies for their ratification or rejection at a special election to be held on February 11, 2014. For the purpose of replacing an expiring levy and providing funds necessary for the needs described in Section 2 above, King County Elections, as *ex officio* supervisor of elections in King County, is hereby requested to call and conduct such special election to be held within the District on such day and to submit to the qualified electors of the District for their approval or rejection, a proposition providing for tax levies for the Capital Projects Fund for four years, commencing in 2014, producing dollar amounts at estimated tax rates per thousand dollars of assessed value to produce such amounts,

in excess of the maximum amount tax levy permitted by law to be levied within the District without a vote of the electors, all as follows:

- A. \$2,700,000, said levy to be made in 2014 for collection in 2015;
- B. \$2,700,000, said levy to be made in 2015 for collection in 2016;
- C. \$2,700,000, said levy to be made in 2016 for collection in 2017; and
- D. \$2,700,000, said levy to be made in 2017 for collection in 2018.

The estimated levy rate depends upon the final dollar amount of assessed value of the property within the District. At this time, based upon information provided by the County Assessor's office, the estimated levy rate for the 2014 levy is \$0.62 per thousand dollars of assessed valuation, the estimated levy rate for the 2015 levy is \$0.60 per thousand dollars of assessed valuation, the estimated levy rate for the 2016 levy is \$0.58 per thousand dollars of assessed valuation, the estimated levy rate for the 2017 levy is \$0.56 per thousand dollars of assessed valuation. The exact levy rate shall be adjusted based upon the actual assessed value of the property within the District at the time of the levy.

Section 4. Voter's Pamphlet. Pursuant to authority granted by RCW 29A.32.220, the Board of Directors hereby authorizes the District's participation in the local voters' pamphlet for the February 11, 2014 election and requests that King County Elections prepare and publish a voter's pamphlet for this proposition. The District understands and agrees that it will be required to pay its proportionate share of the expenses of the voters' pamphlet.
