Big Finn Hill Park

"Big Finn Hill Park is a 220-acre wooded oasis off of Juanita Drive. To the east of the road, the park offers soccer and baseball fields, a play area, and hiking trails. To the west, multi-use trails—frequented by mountain bikers, dog walkers, and hikers—wind and loop through a spectacular forest. With a variety of flora and terrain, recreationists occasionally spot deer, owls, hawks, and eagles."
