Duthie Hill Park

Duthie Hill Park is a fun and challenging place to ride, with many opportunities to develop skills and provides an exceptional riding experience for mountain bikers of all ages, styles and skill levels. A 6-mile network of rolling cross country singletrack trails forms a four-leaf clover shape around the park, with the 2.5-acre central clearing serving as the hub. Inside each cloverleaf, freeriders will find a network of downhill-only trails loaded with berms, jumps and drop-offs. In the clearing, riders will appreciate the informational kiosks, skill-building features, engraved donor bench, picnic shelter and a great central location to socialize.

From Duthie riders can also venture onto the trails at Grand Ridge Park, which connects directly to the south, and Soaring Eagle Park less than 2 miles to the north. Ride safe and have fun!
