

Town Hall meeting on the 2019-2020 King County Budget

Please join King County Councilmember Jeanne Kohl-Welles and King County Budget Director Dwight Dively for a town hall discussion about the 2019-2020 proposed budget. This will be an opportunity for you to share your priorities and ask questions about how the budget will impact our community and how the budget process works. The proposed budget invests in clean water and healthy habitat, homeless services, mobility, and other important services that reflect the values of county residents.

Wednesday, October 24 from 7 to 8:30 p.m.
